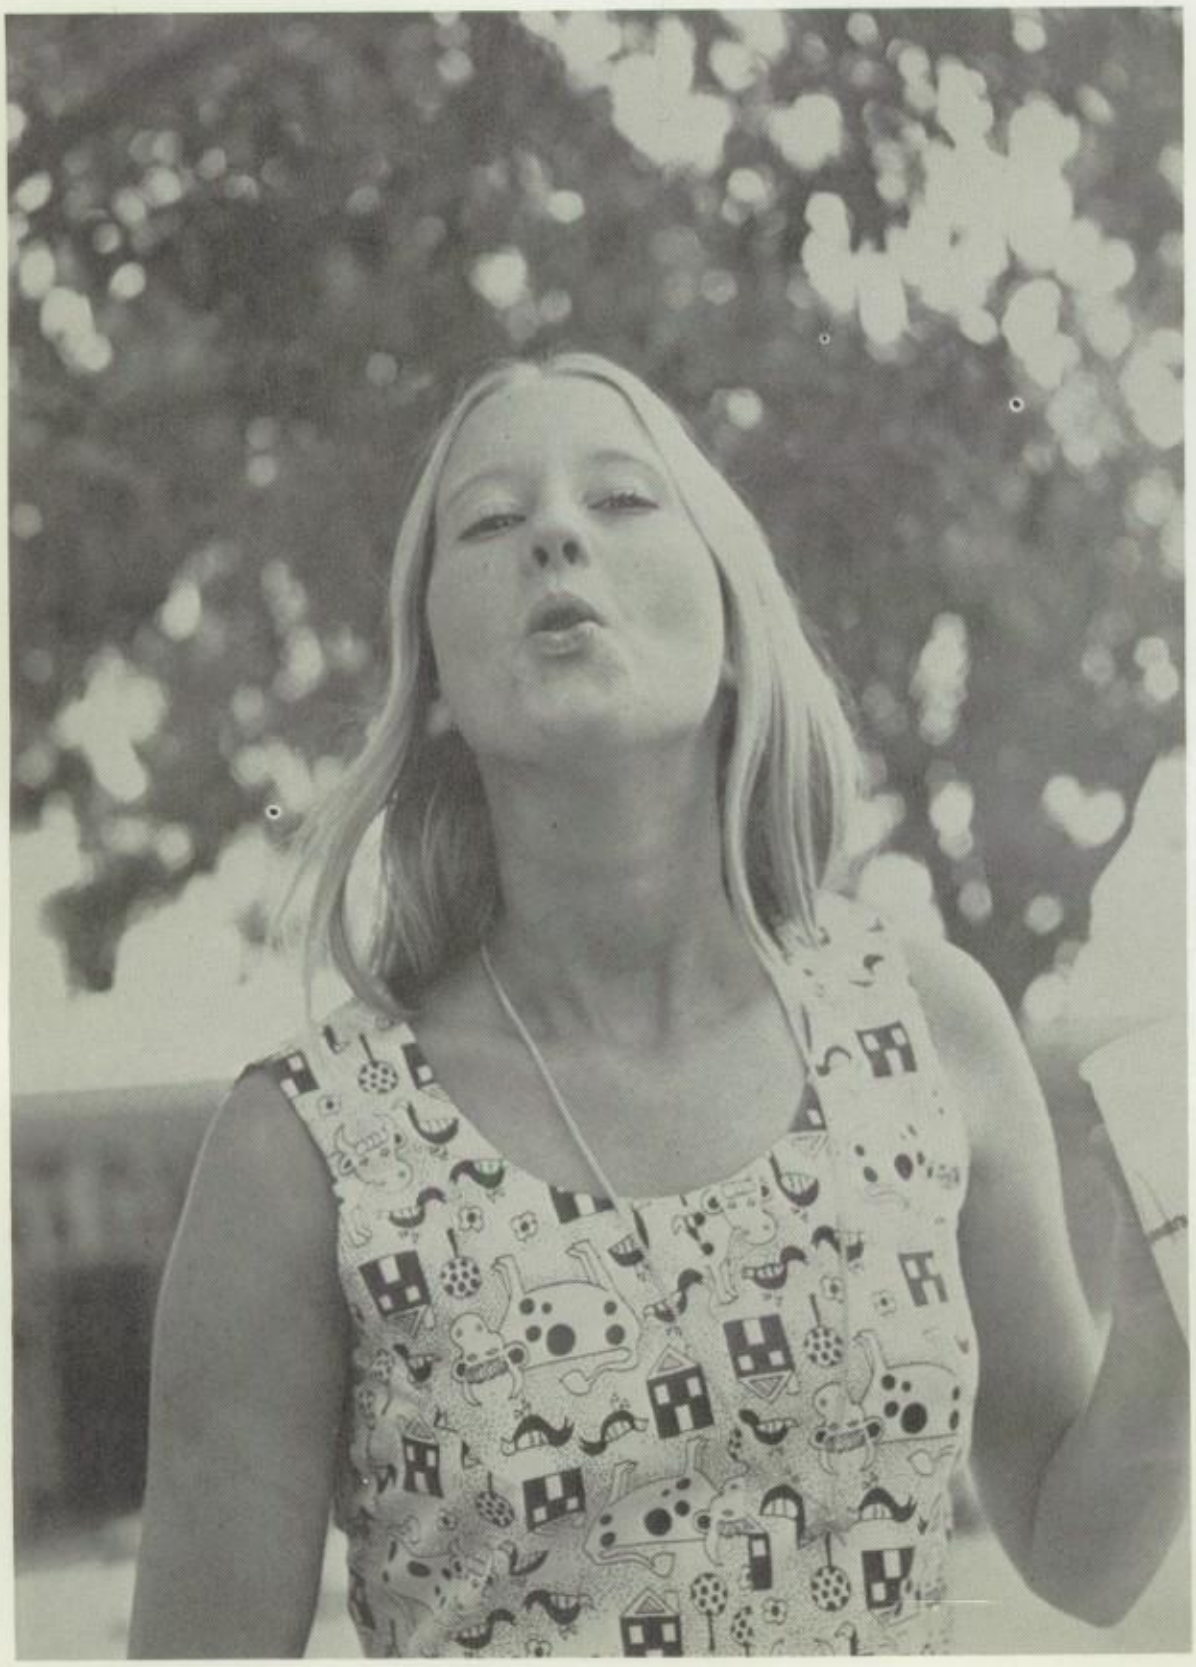
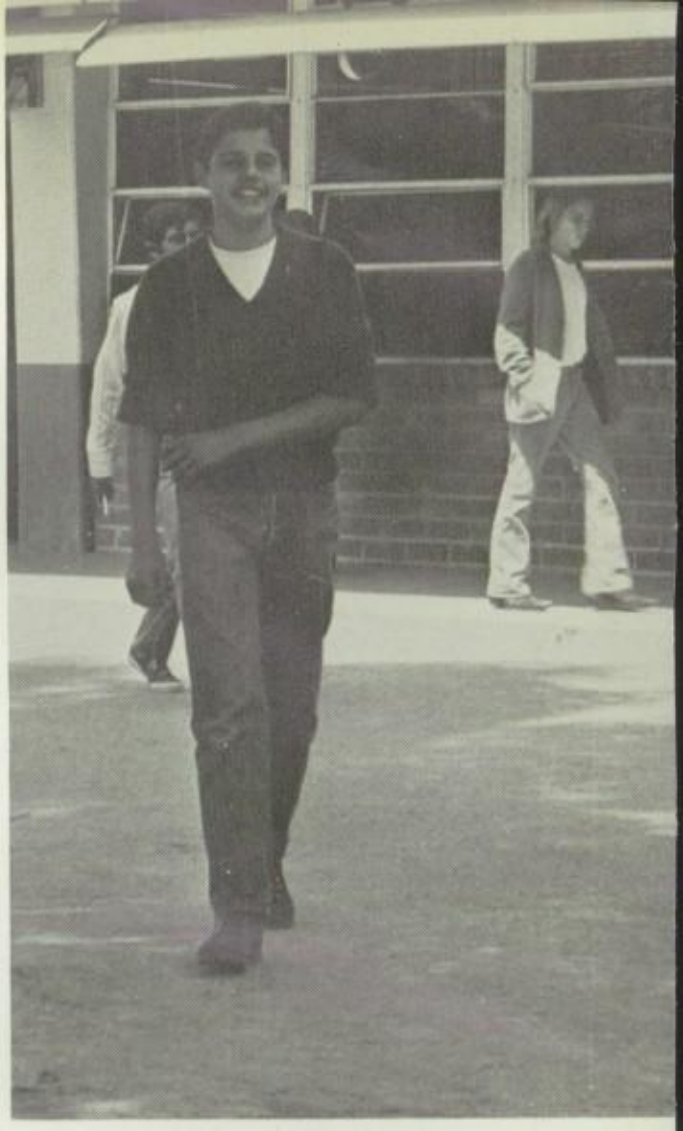
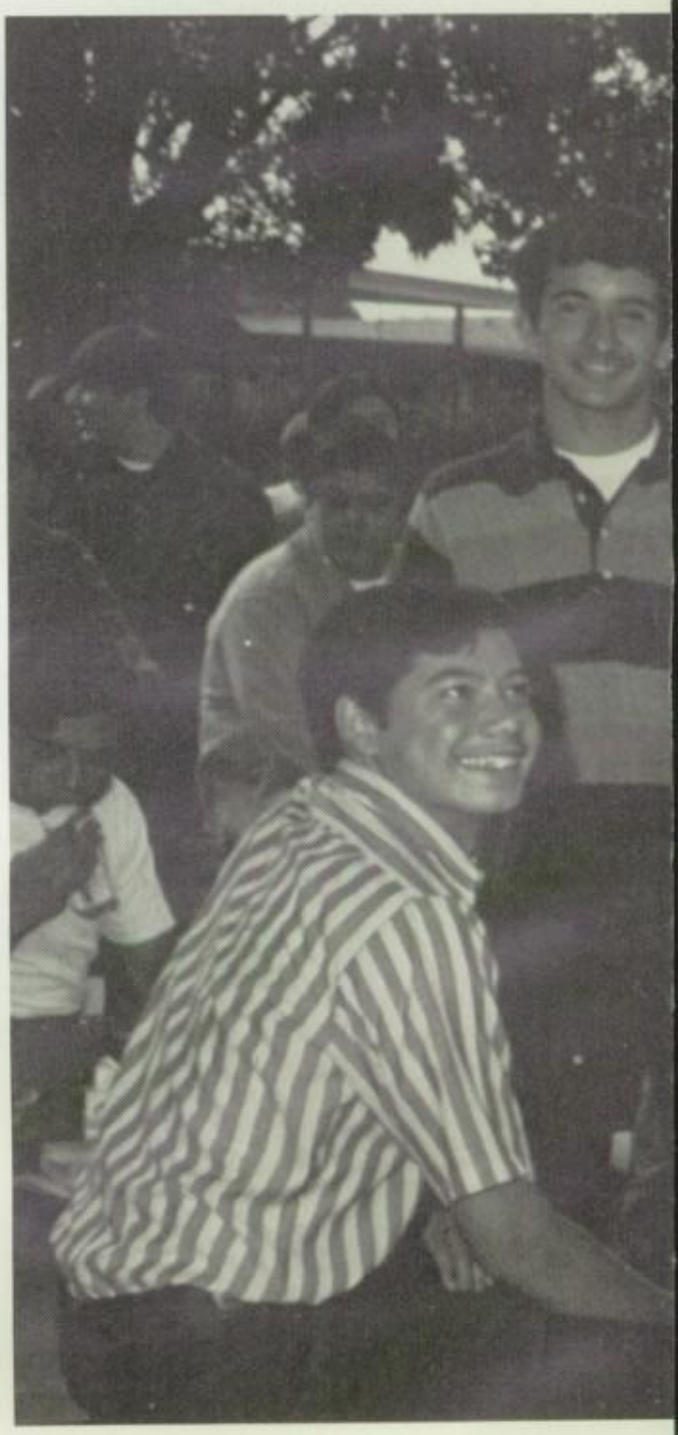
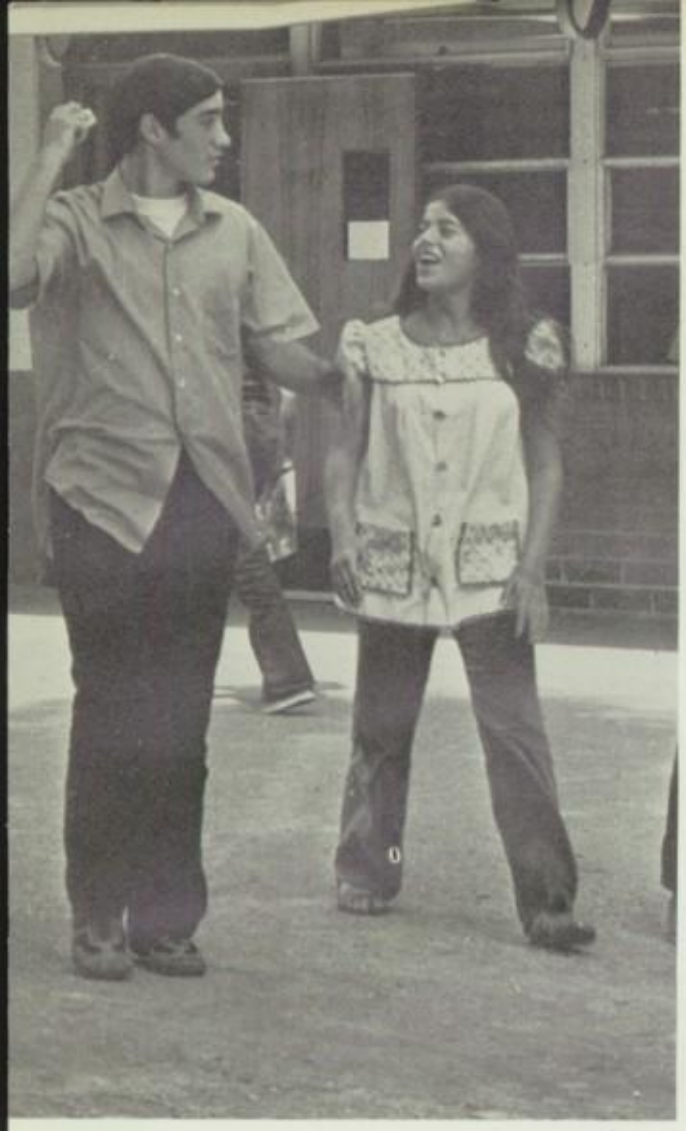
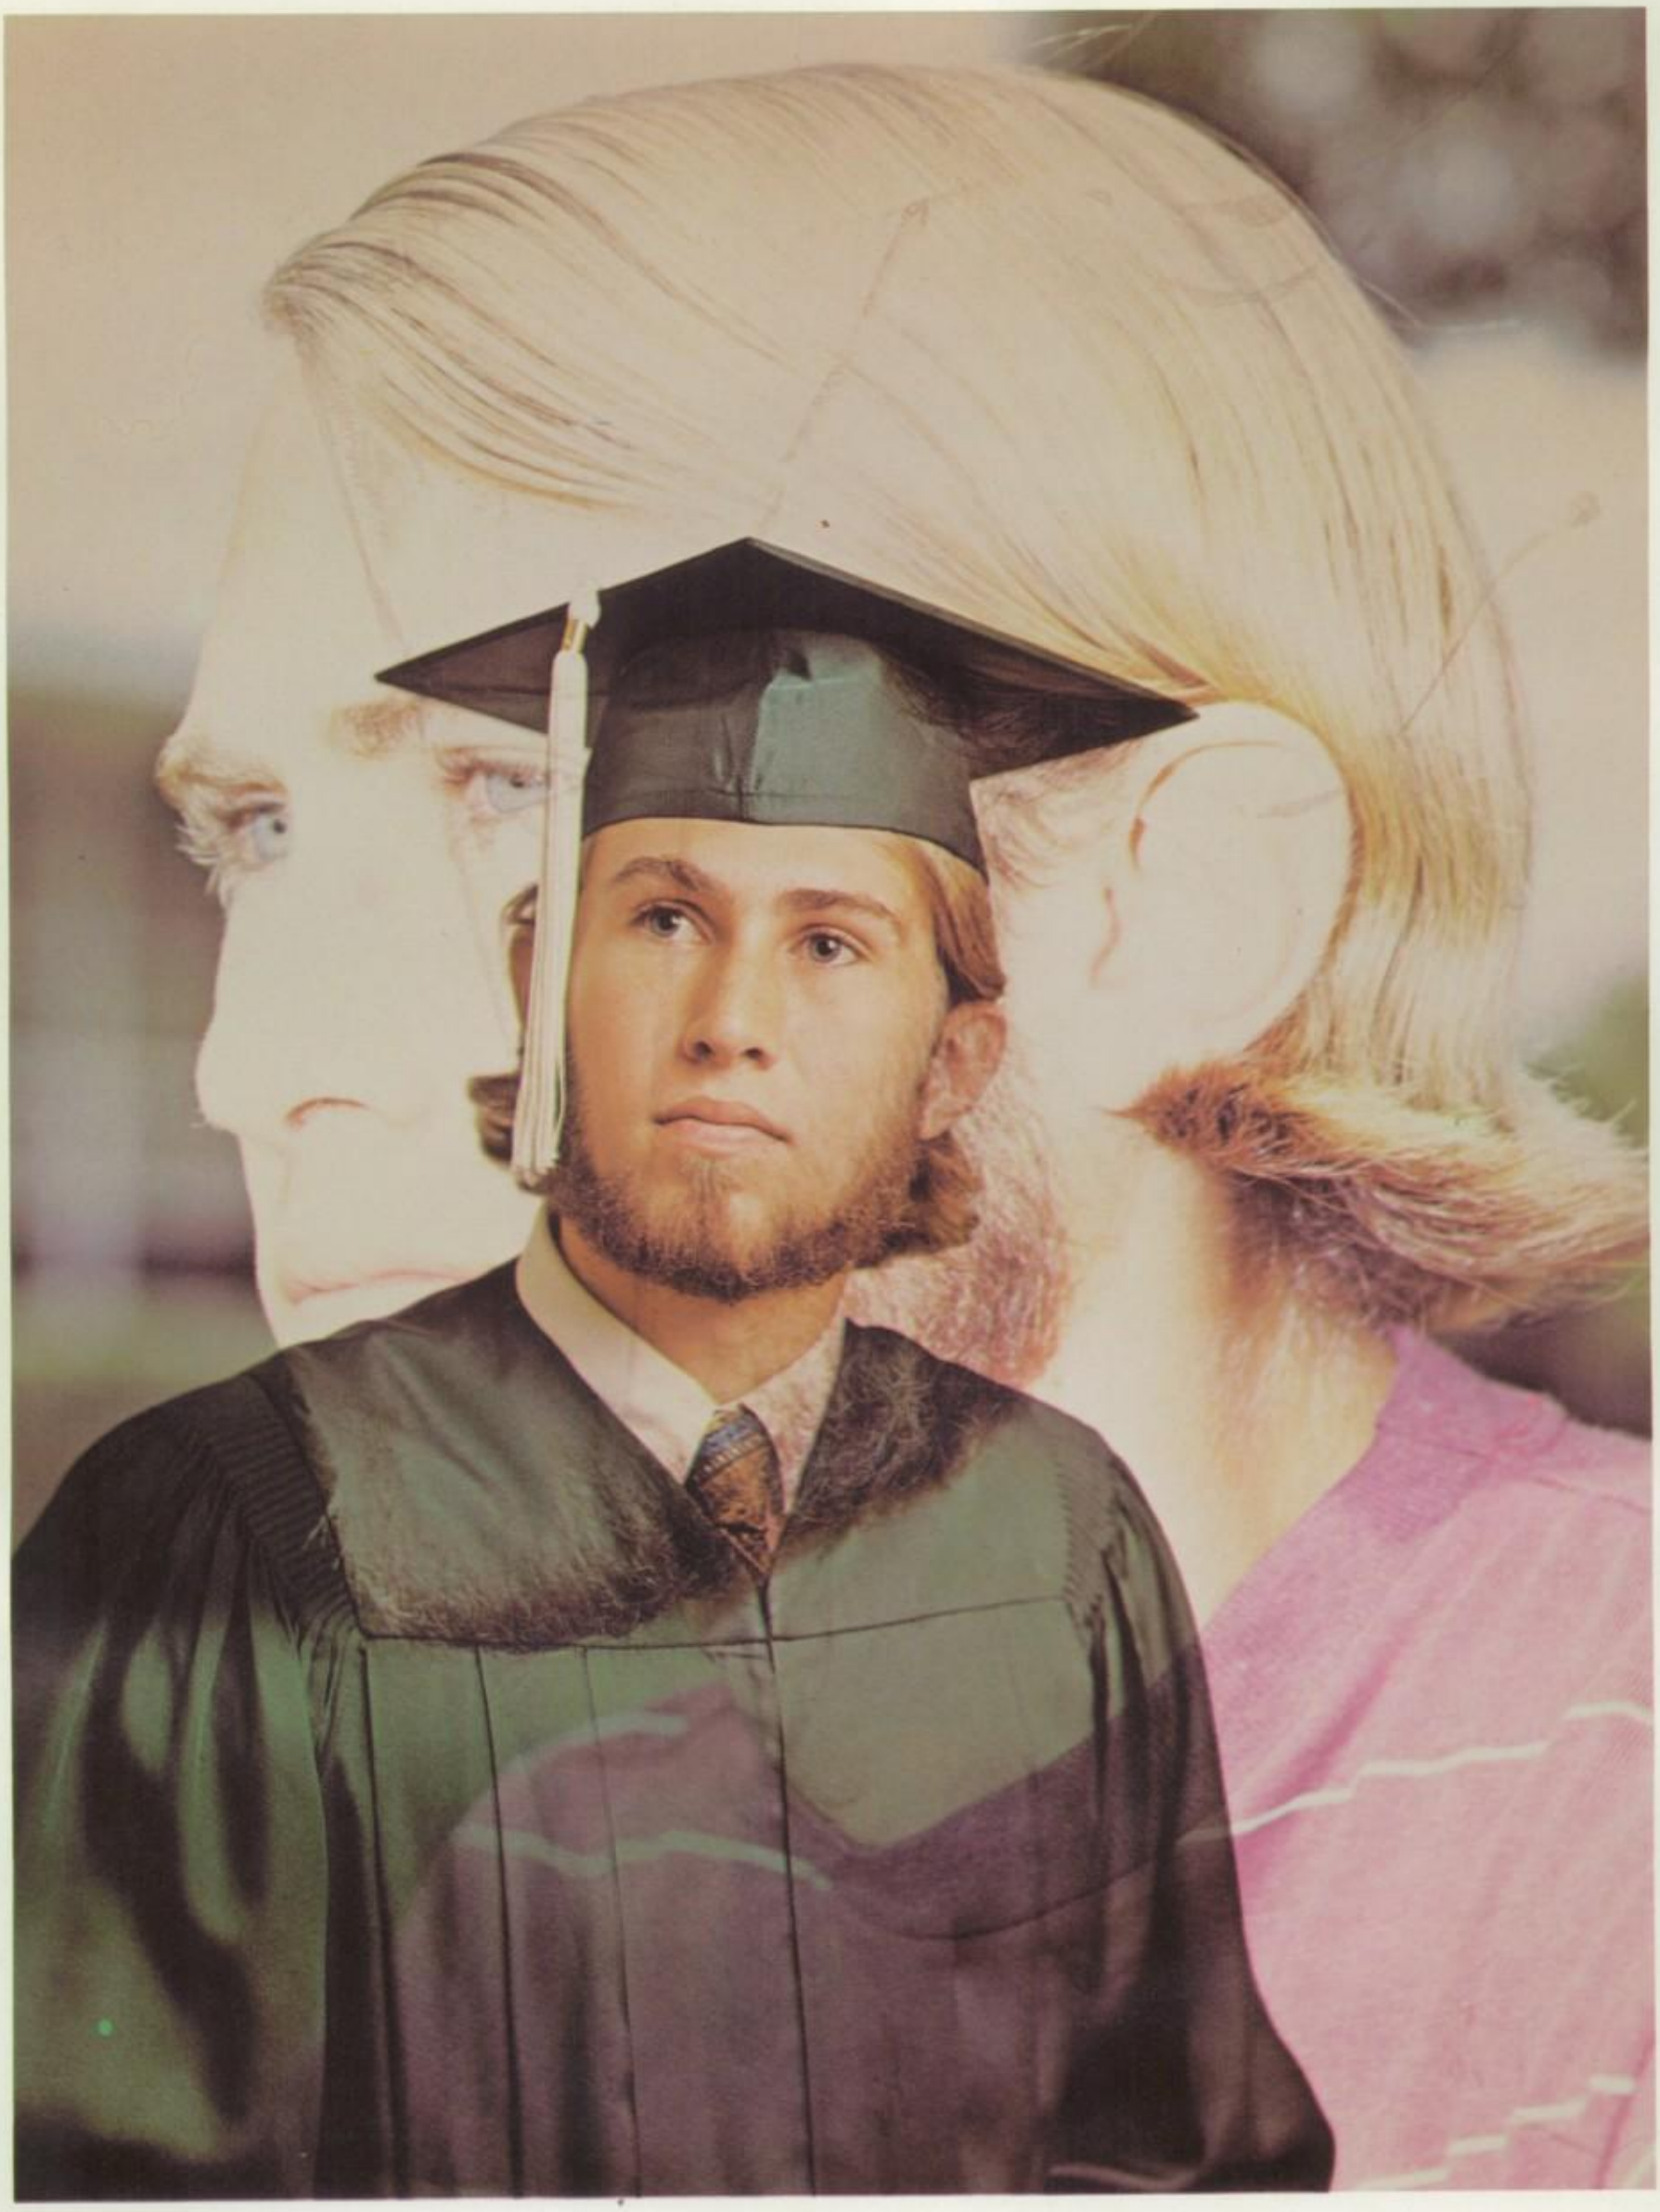
Moods of joy. Lighthearted and animated with the happiness from around and within. Abandon. Feeling amazed and amused with the world. Smiling inwardly. Cheerful.

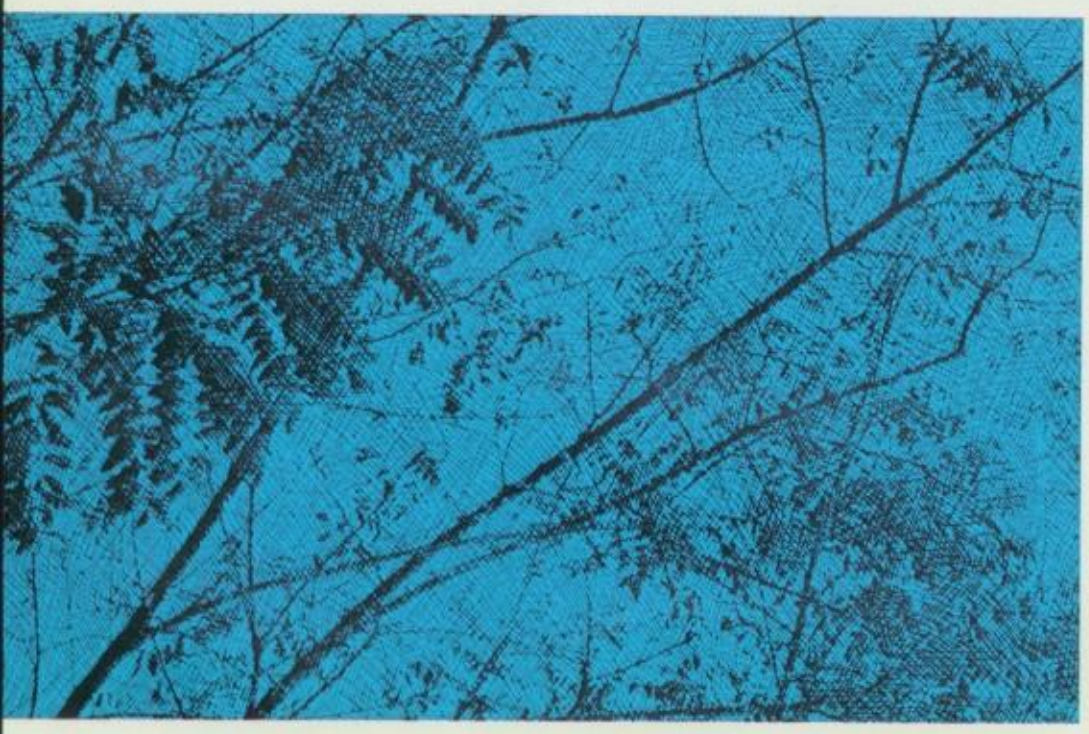






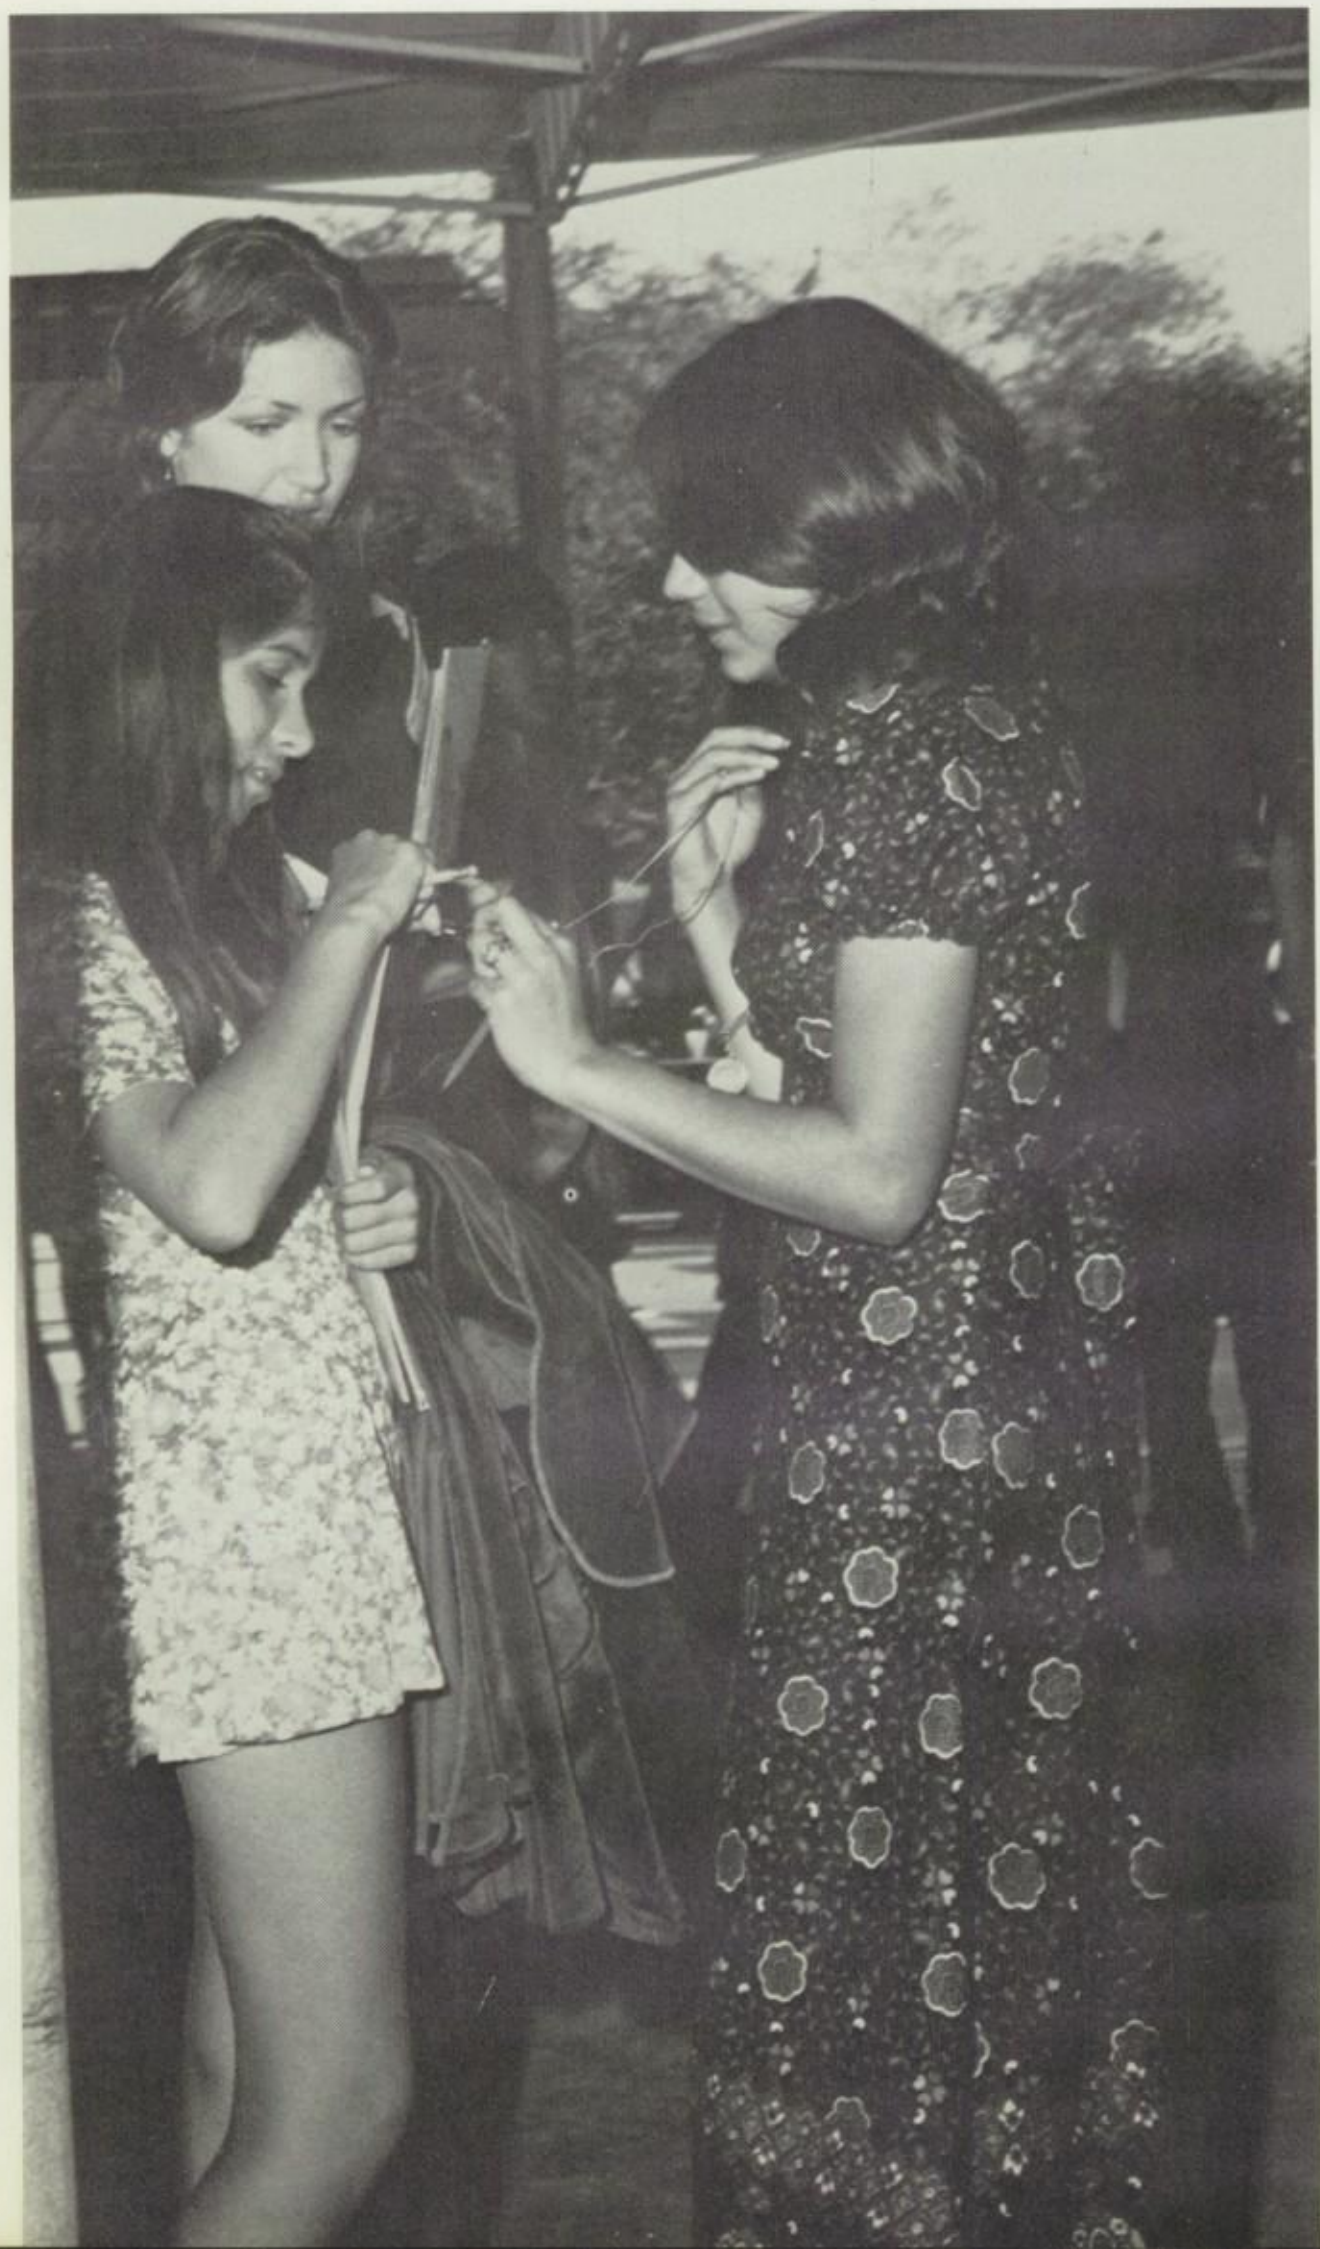


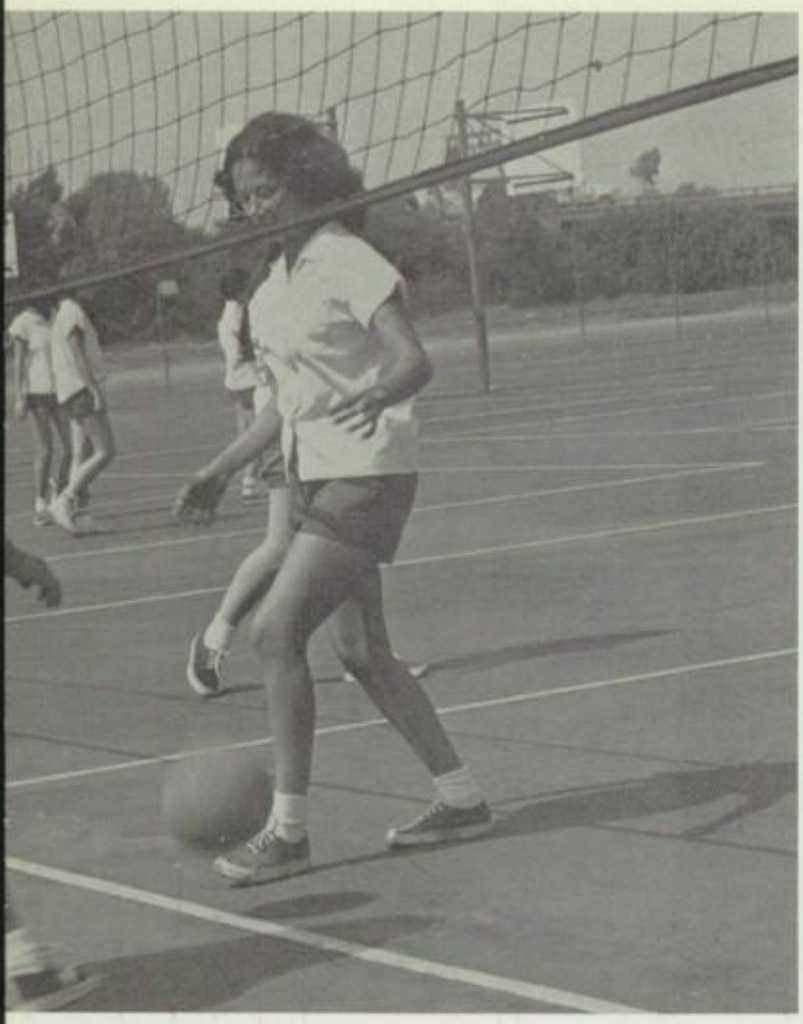


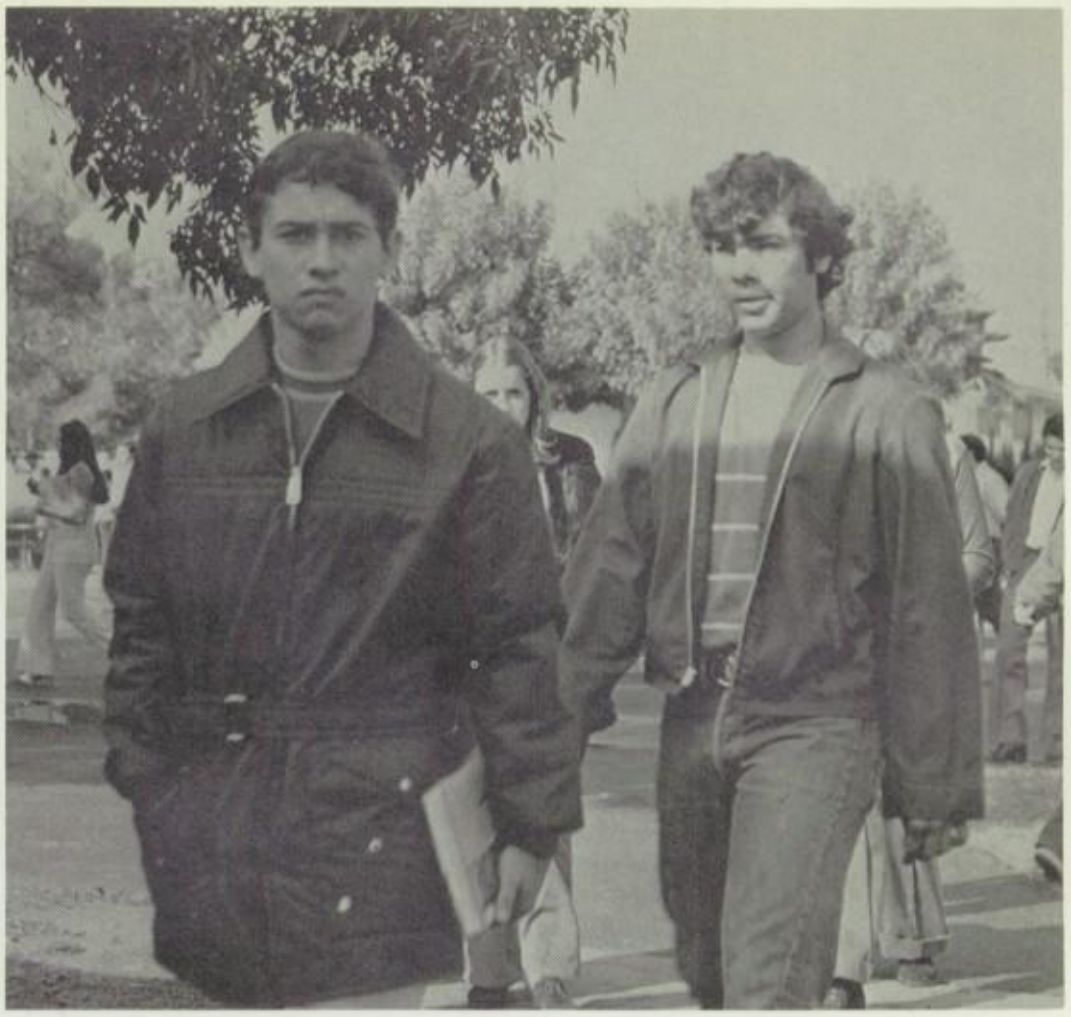


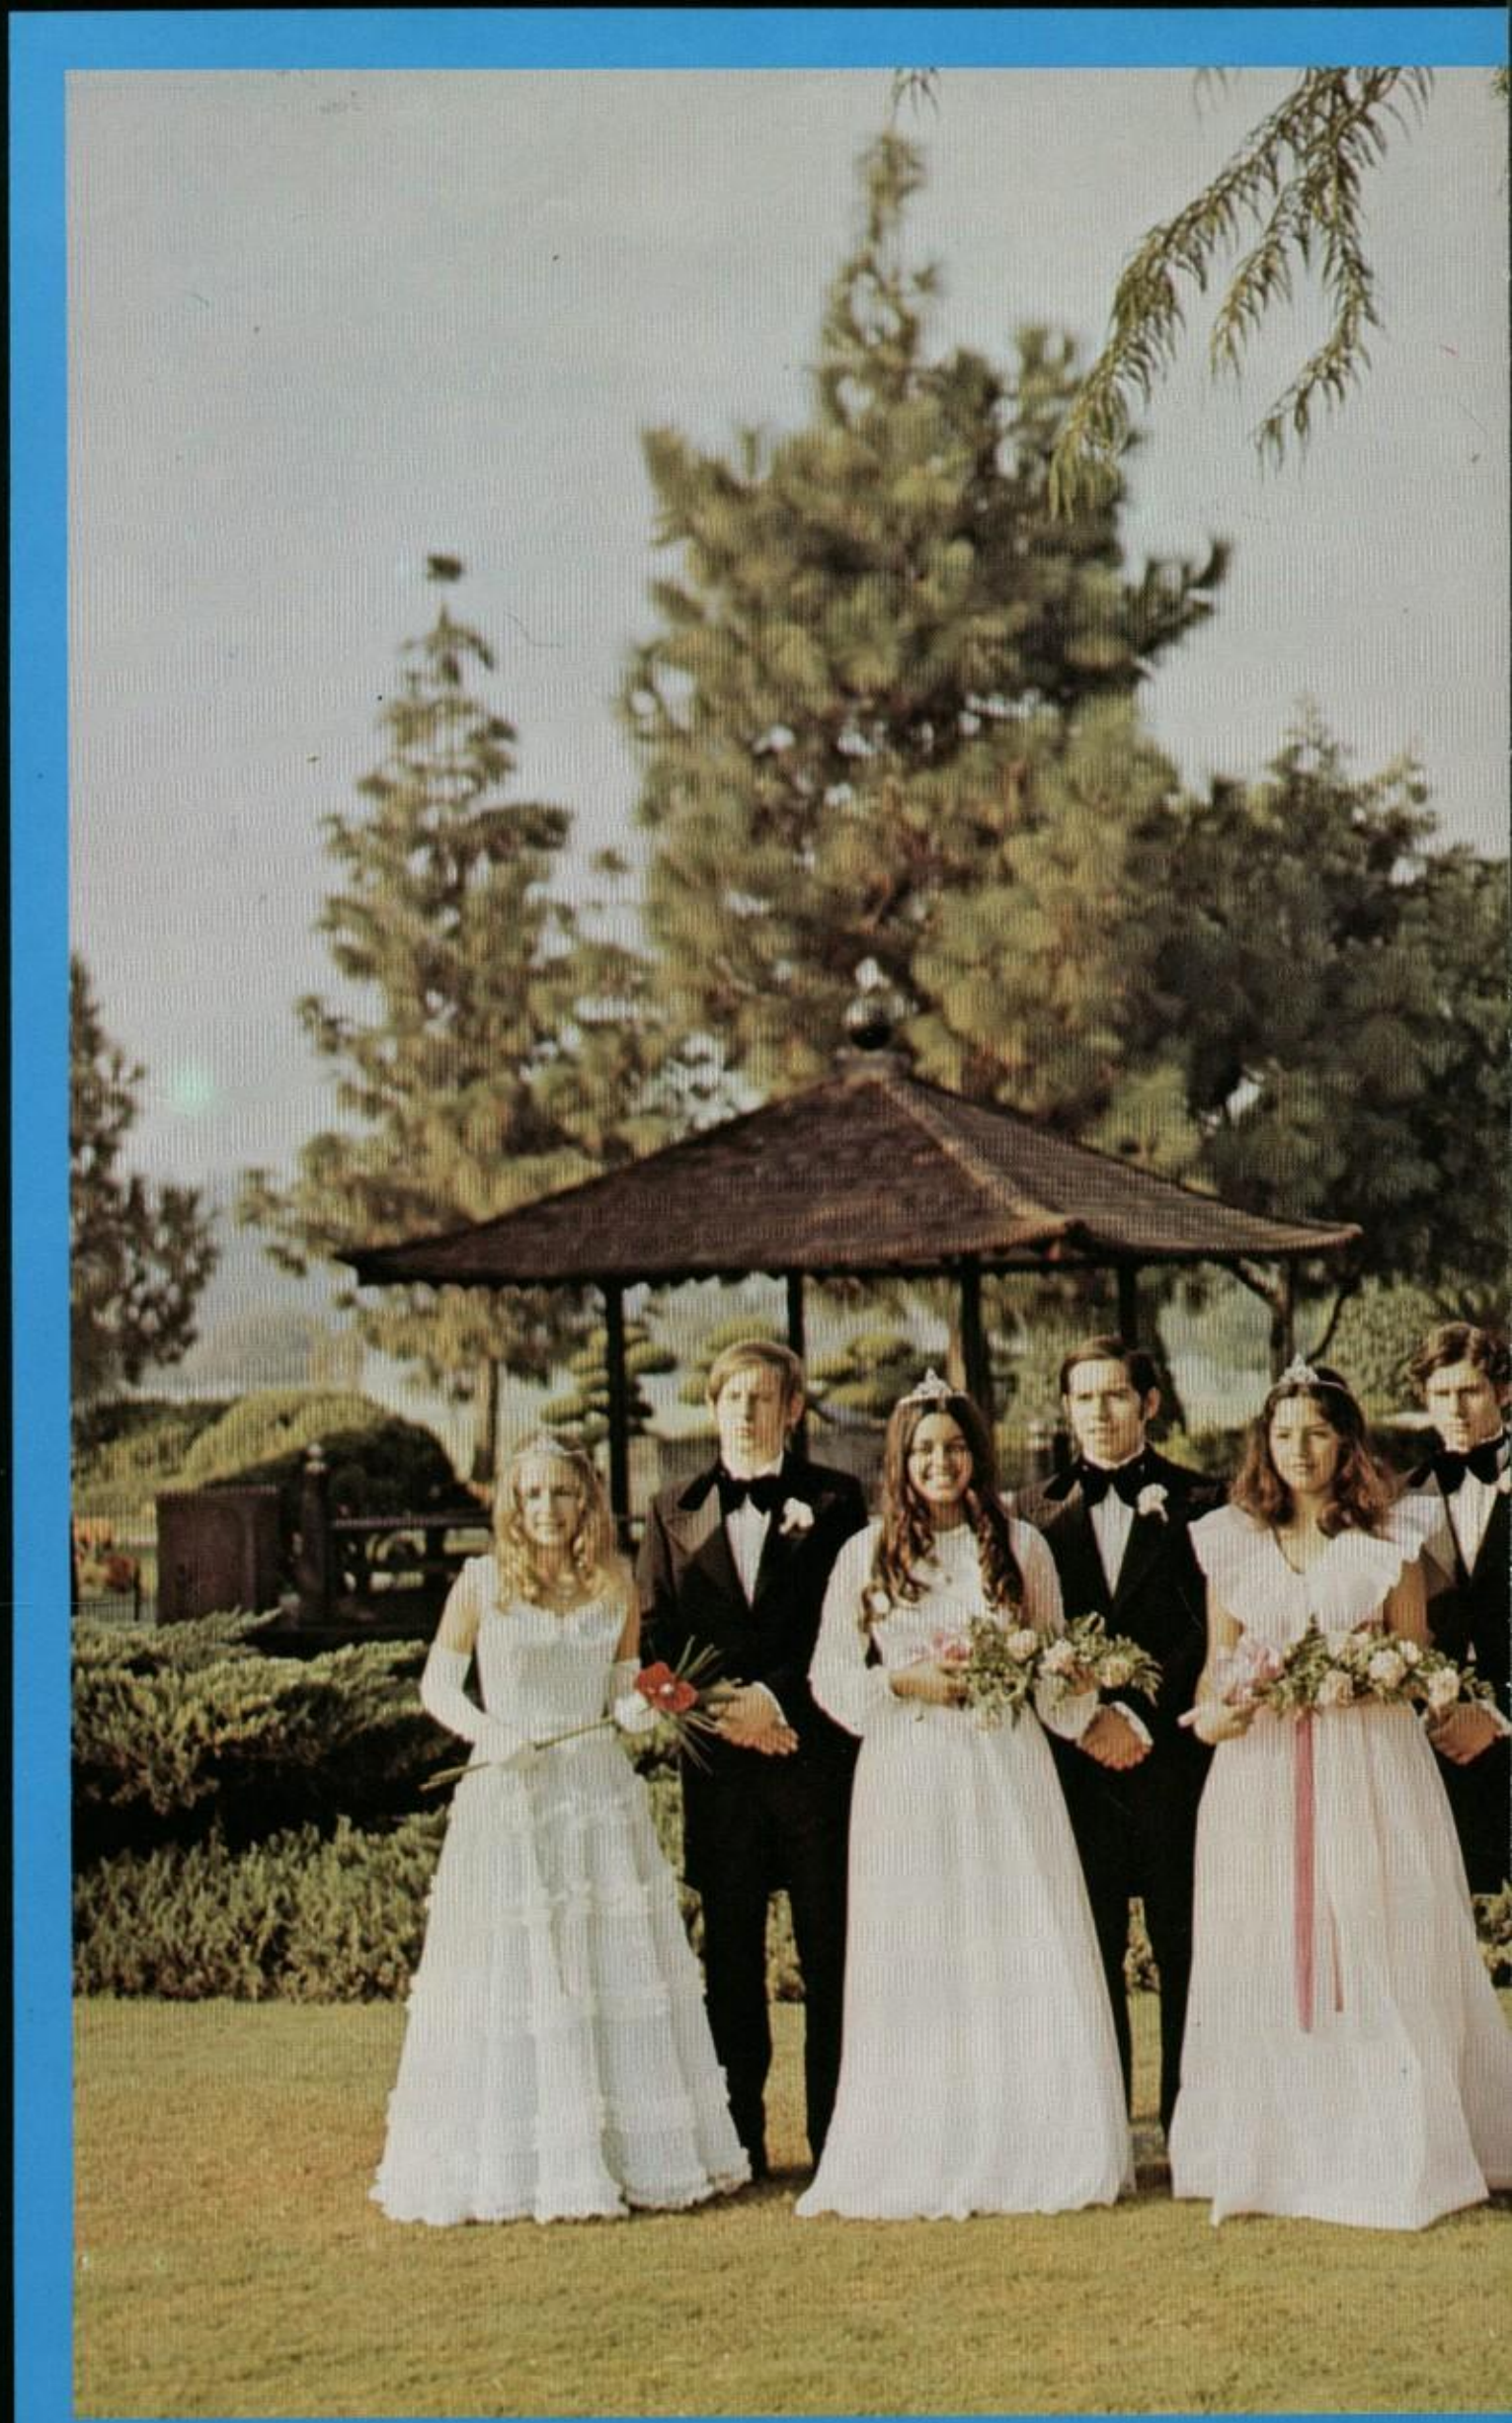
Serious and peaceful. Quiet concentration. Deep thought. Lost in serene meditations. Mind wrapped in dreams. Searching for ideals. Trying to unfold the obscurities.

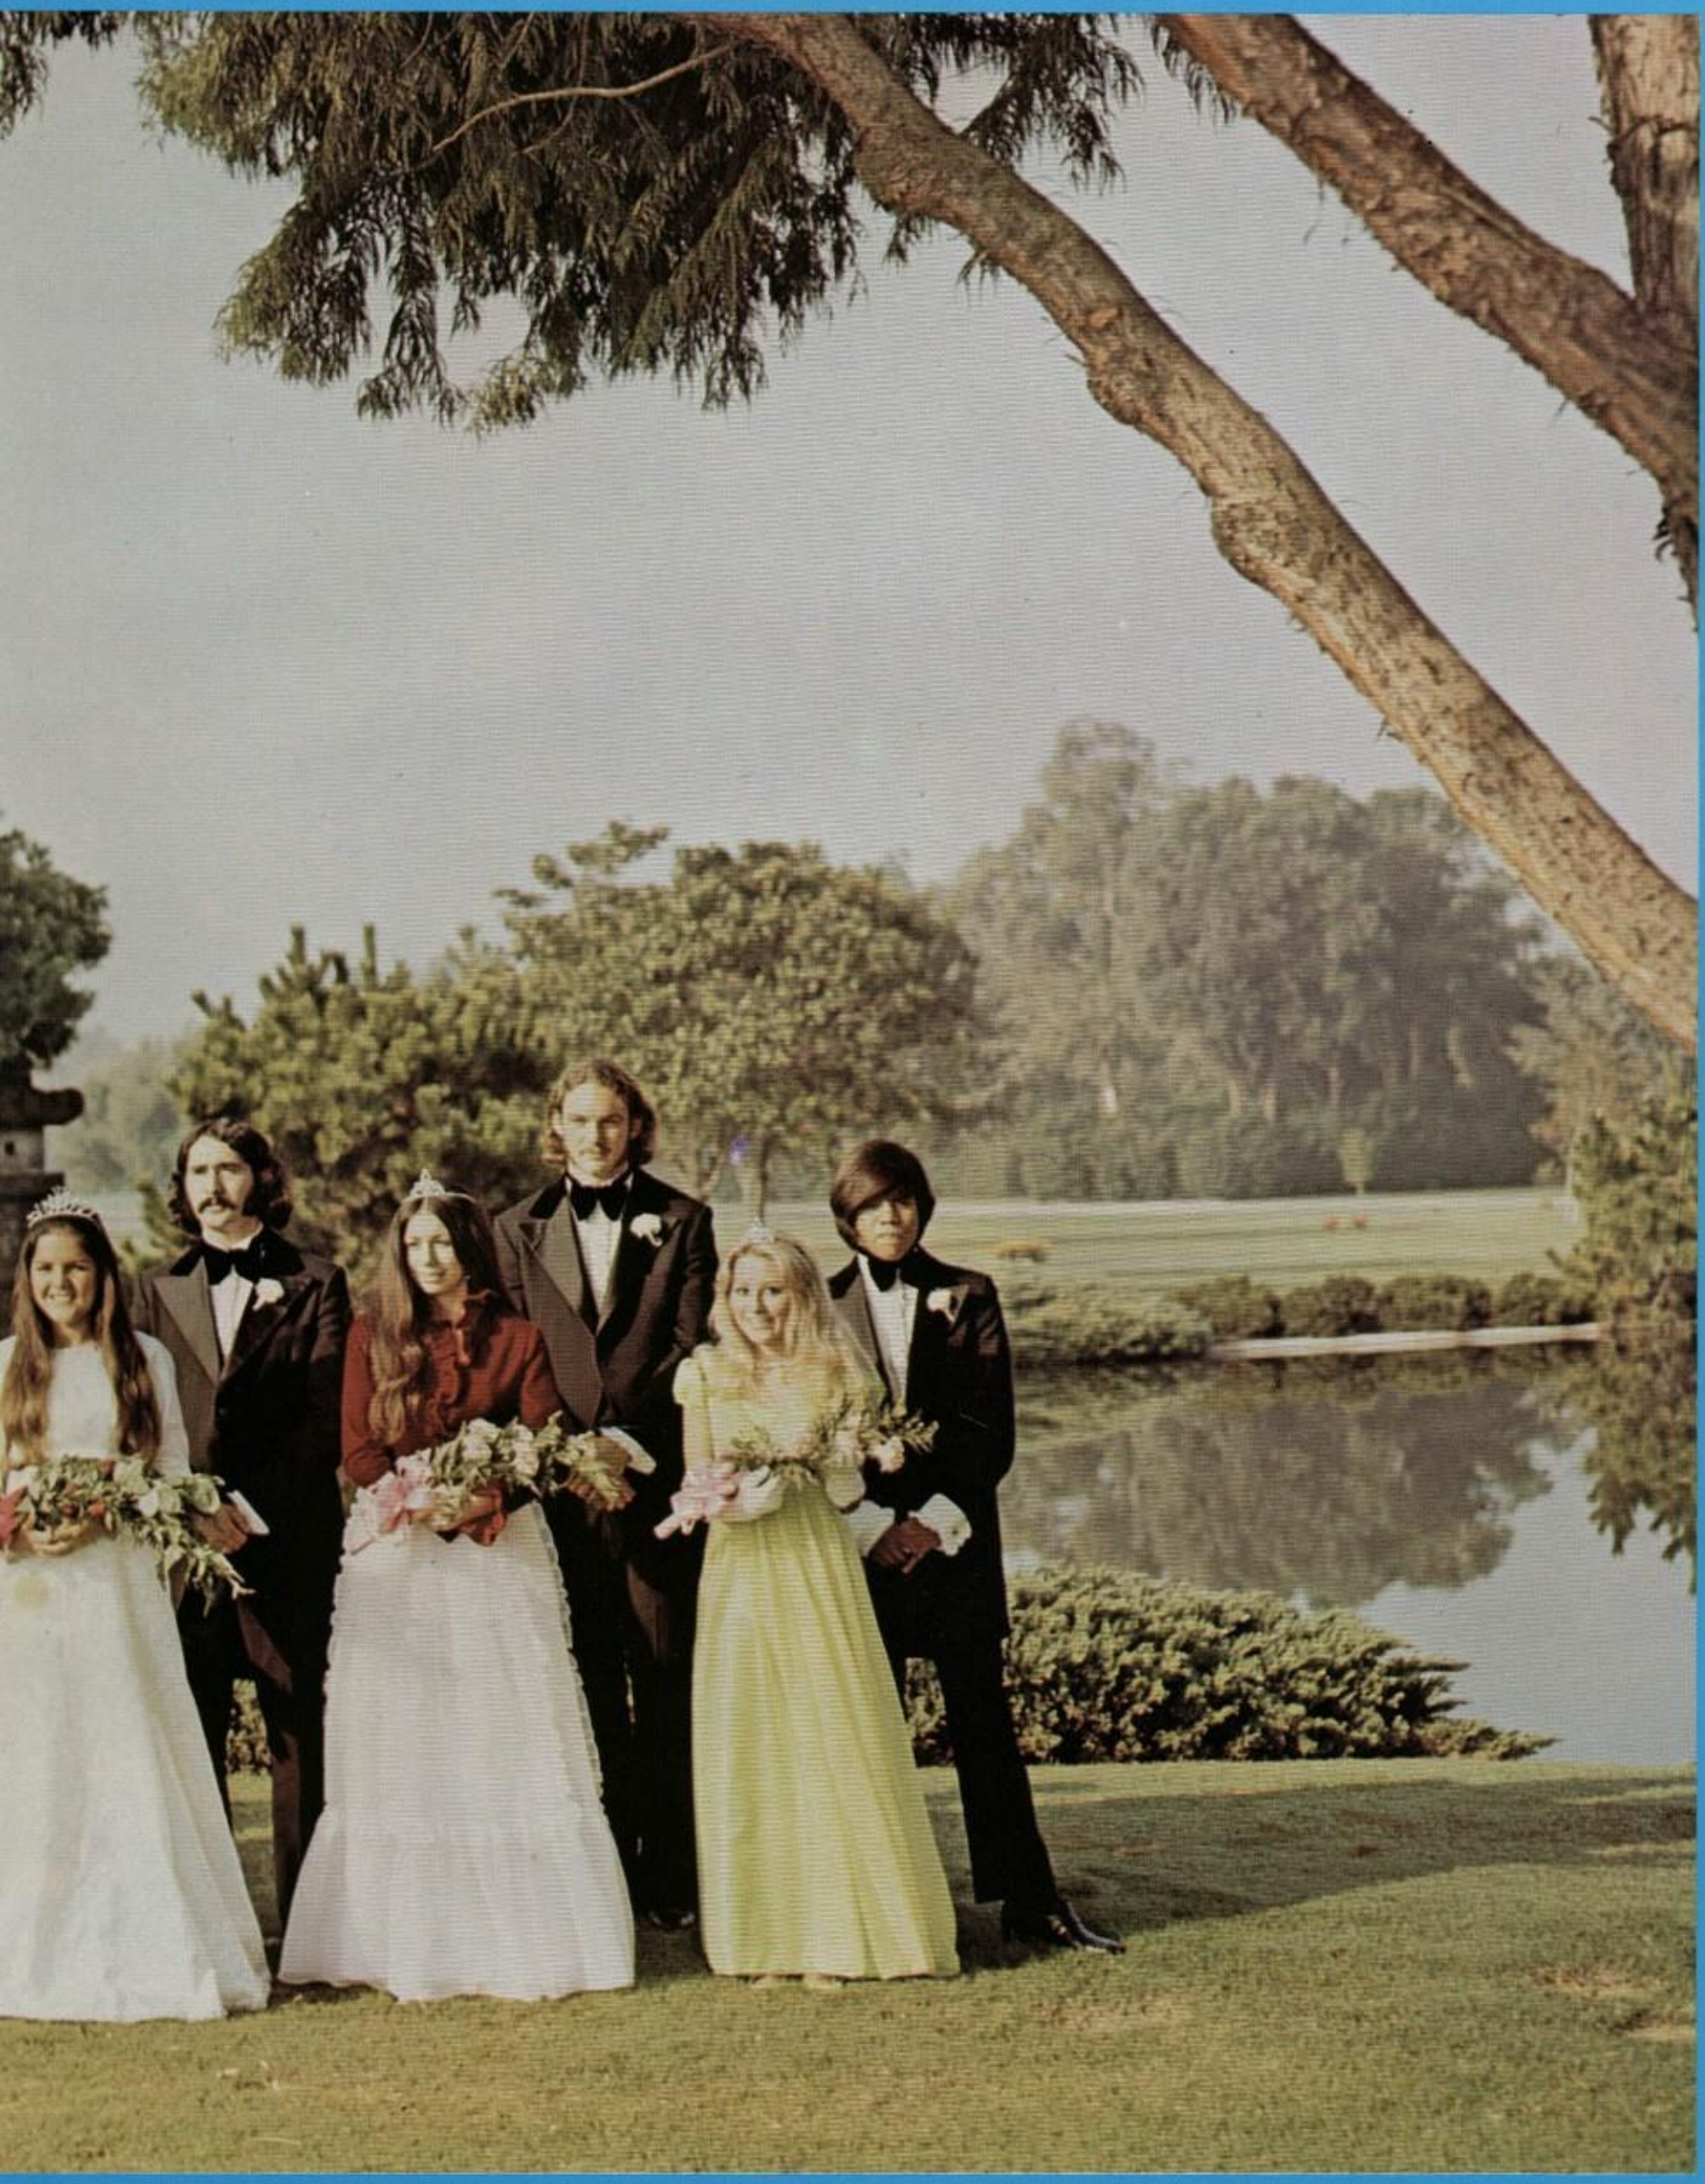
The same setting evokes infinite moods. Each interpretation of images is translated into expressions, the essence of each unique individual.











Positive moods. Of pride, of joy.
Accepting life with cheerfulness.
Awaiting and anticipating tomorrow.
Things deeply felt and lightly taken.

Dedication

On behalf of the graduating class of 1973, the yearbook staff wishes to dedicate the 1973 TORCH to a person who has been more than just a teacher. There are some individuals who become not only instructors to us, but co-workers and respected friends. Such qualities are rare, but they are found in a most unique man here at Pioneer.

He was born near Cedar Falls, Iowa, the oldest of three children. Upon graduation from high school he attended Houghton College in New York, where he earned his Bachelor of Arts degree. He later completed his graduate work at Ball State in Muncie, Indiana.

While in the Navy, he met the woman who would later become his wife, Joan Dorle. They were married in 1952. He is now the father of four children, three boys and one girl.

He came to our school when it first opened. After teaching here for a year, he left to teach college in the East. In 1965 he returned to California and resumed his position with Pioneer's Science Department.

His hobbies include photography, woodworking and bicycle repair. In the near future he hopes to own and operate a bicycle shop in the Daimond Bar area. We know that he will be successful.

Our best wishes are extended to this very devoted and sincere man. We thank him for being our educator and our friend, and hope that this relationship continues far into the future.

In gratitude for all that Mr. "B" has given to Pioneer, the 1973 TORCH is dedicated, with respect and admiration, to:

Senior Council finds Comfort in Affluence

The Senior Class Officers and Council spent a busy year planning such traditional senior activities as the Senior Mothers' Tea and a special senior assembly. For the first time it was decided to have the Senior Class Yearbook Picture taken in color. Other special activities for seniors were considered and planned with the help of advisor Fred Van Wickle. The council, along with the Varsity Club, played an important part in the selection of the Homecoming Court finalists, and paid for the bouquets of roses that were presented to the Queen and Princesses. During the first half of the year, the council concentrated on planning activities to be held later in the year. Four years of money-raising projects provided the class of 1973 with ample funds to finance their activities—and they had little need to try to raise more money.

CSF Life Members

CSF Life Membership is an honor not taken lightly. Four years of continuing outstanding scholastic achievement was an accomplishment attained this year by twenty-six graduating seniors.

Life membership is granted when an individual has been a member four out of the six semesters of the last three years of high school. One of the semesters must be in the senior year.

Distinctions that accompany this award are a CSF Life Membership Gold Seal on the diploma and recognition during the graduation ceremony and the CSF Award Dessert.

Rivera and Rodriguez Represent State

Connie Rivera and Ted Rodriguez were Pioneer's Girls' and Boys' State Representatives this year. After being chosen by the teachers at school, they attended the convention held in Sacramento during late June of 1972.

The program, composed of mock cities and counties and student elected officials, was organized in order to give high school seniors from all over the state a better understanding of California State government.

Chris Gallegos Earns DAR Citizenship Award

Each year a girl is selected from the senior class to be the recipient of the DAR Award. Sponsored by the Daughters of the American Revolution, this award is in recognition of the young ladies' patriotism, honesty, willingness to work hard and excellent citizenship. This year's winner was Chris Gallegos.

Chris Gallegos, DAR Citizenship Award Winner

Bank of America Awards

Each year, fifteen deserving seniors are honored by the Bank of America with special awards. Four of the seniors so honored are awarded plaques in general fields of study and are eligible to go on in competition.

This year, three of the four plaque winners placed in the district competition. Chris De Son won third place in the Math and Science field, and was awarded seventy-five dollars. Sylvia Alvarez placed third in the Fine Arts category and was also awarded seventy-five dollars. Charlene Grasser won first place in Vocational Arts, and was awarded two-hundred and fifty dollars, along with the opportunity to increase her winnings in future competition.

The award winners are selected on the basis of teacher recommendation and grade point averages. The final decision is made by the Guidance personnel.

ASB Cabinet Struggles to Survive . . .

Led by Associated Student Body President Art Escobedo, this year's cabinet met daily to plan student activities, handle student body finances and organize the student government. A busy and lively group, the cabinet spent a lot of time and effort planning events. They organized Homecoming, sponsored the Donkey Basketball Game, and arranged many after-game dances and assemblies. Many of cabinet's projects were aimed at raising money to enable them to plan for the financial needs of the student body.

The cabinet served as a link between students and administration. J.C. Low, Assistant Principal of Business and Activities, acted as the cabinet's advisor and helped Pioneer have one of its busiest years.

Boys', Girls' leagues plan many events

Girls' League, one of the most important and active groups on campus, was headed this year by President Debbie Moore.

Helping her plan the year's activities were First Vice-President Patty Bova, who was in charge of the Titanette Review and the Mother-Daughter Dessert. Second Vice-President Melinda Sadleir was in charge of the Girls' League Dance.

On the busy cabinet were the assisting minds of Secretary Angela Martinez; Treasurer Lisa Johnson; Publicity, Susan Holveck; Assemblies, Yolanda Hernandez; Junior Representative Carol Bigham; and Sophomore Representative Alice Jordan.

The four major projects taken on by the group continued to be Freshman Orientation (Big-Little Sister Day), the Mother-Daughter Dessert, the Girls' League Dance and, as a grand finale, Titanette Review. Each event took months of planning and this year's officers worked exceedingly hard to make them a success.

Two Houses of Congress Let Students Speak With an Open Mind

Congress, the place where the students really get a chance to speak their minds, is made up of a representative from each Social Studies class. This year Pioneer's Congress split itself into a lower house (ninth and tenth grades) and an upper house (eleventh and twelfth grades). The purpose was to allow the freshmen and sophomores, who have traditionally been dominated by the upper classmen, to voice their opinions.

Congress was led by Speaker of the House, Carl Jimenez; and the upper House was chaired by Henry Guerrero. Vice-Chairman was Lawrence Jordan. The Chairman for the Lower House was Greg Gonzales and Vice-Chairman was Jimmy Carrillo.

This year was busier than past ones for the Congress, and it considered and passed many important bills. One of the major projects taken on by the Congress was the hiring of a Security Guard to patrol the parking lot during the hours that the police were not there. This saved many dollars for both students and faculty.

Yell Leaders Enhance Pride

Beginning with eight members, instead of the previous six, this year's Varsity Yell Leaders were a lively, effervescent group. They led the cheering and gave voice to the enthusiasm and excitement at Pioneer's football and basketball games. Even before the year began in September, the squad had captured several first place honors at the Yell Leader Summer Training Camp.

Under the leadership of third-year veteran Yell Leader Evelyn Barraza, the hard-working crew was able to raise over $500 through candy sales and bottle drives to help pay for their outfits and equipment. They also managed to finance a trip to Lake Tahoe with the basketball team at Christmas.

Song Leaders Promote Victory

The 1972-73 Song Leaders were a talented and captivating addition to the Titan games and assemblies. Their performance of intricate and skillful dance routines, set to popular songs, won them ten ribbons at Song Leader Summer Camp. With eight song leaders on the squad this year, Head Song Leader Mona Apodaca did an excellent job guiding her group through parades and competitions that took them to the Pomona County Fair, the Arroyo Competition and Disneyland. The year's high point for the group occurred when they were asked to model for the cover of the Hibbards Pepster Summer Camp brochure.

Black and White Ripple in the Wind

The 1972-73 Flagsters were led by Susan Aguirre, the only veteran of the five, and co-headed by Kay Belote.

The girls worked hard to overcome their novice standing. Practices two to three times per week, summer camp and many hours of work during third period gym symbolized the dedication the group felt toward their job. They performed at the Ram's Game and the Pomona Fair, along with attending all of Pioneer's games. The spirit they added to the school was welcome and with their flags raised high they helped cheer Pioneer on to victory.

J.V. Yell Leaders Enhance Pride

Under the guiding hand of Mrs. Hardy the six Junior Varsity Yell Leaders worked hard to raise spirit for the JV teams. The group was at each game stomping, clapping and cheering their way through a year that was not always one of victory.

The girls raised money for their uniforms through bake sales, car washes and candy selling. At camp, the hard working group won an award for being the "Most Improved." Anna Rodriguez and Betty Arriaga were Head and Co-Head, respectively.

Bee & Cee Yell Leaders Build Spirit

This year, Pioneer had Bee and Cee Yell Leaders. Under the direction of Mrs. Carolyn Noseff, the two groups were selected in October to serve for the 1972-73 school year.

The girls worked hard organizing and preparing for the football and basketball seasons. Funds were needed to cover the cost of their uniforms, and with no experience to draw upon, they started the year off with bake sales to raise money.

Their routines, sharp and precise, raised the spirits of both the Bee and Cee teams.

Majorettes Excel in a Variety of Competition

The Majorettes were led this year by Melody Jett and Debbie Moore. The entire student body was proud of the girls as they worked very hard to be true award winners.

On the field, the girls displayed a confidence and skill in their routines that was more polished than in the past. Besides entertaining at Pioneer's football and basketball games, they performed at the Rams Game and the Ontario 500. They won first place trophies at the Chaffey Tournament of Bands and the El Monte Christmas Parade. At camp they placed second for being the "Hardest Working" group.

Practice and Talent Earn Drill Team an Outstanding Year

The 1972-73 Drill Team had one of its most successful years with the help of Advisor Marilyn Littlefield. The seventy-eight girls marched through six half-time shows and nine parades, taking first-place awards at the Arroyo Competition, the Whittier College Homecoming Parade and the Chaffey Parade. They also won the Sweepstakes and Specialty Award at the Hawthorne Parade, where more than fifty drill teams competed. Their score of 950 out of 1,000 earned them first place at the West Arcadia Parade, probably the most impressive and important parade on the West Coast. Their skill and spirit led them to be invited to such well-known activities as the Disneyland Fantasyland Parade, the opening ceremonies for the Ontario 500, and for the second year in a row, the Rams League Opener in the Los Angeles Coliseum.

During the year, the Drill Team raised money through the sale of poster-calendars, popular car washes, bottle drives, and a parking lot sale. Other activities included a girls' slumber party, a mother-daughter theater party, a family picnic and a Senior snow weekend. The officers and rank leaders of the Drill Team attended training camp in the summer, creating many of the dances and routines performed at parades, games and assemblies. Awards were presented at the annual awards night at the end of the year.

Drill Team Officers: Laura Trippy, Sandra Thome, Nancy Rorabaugh, Chris Gallegos, Patti Harmon, Patty Bova.

Titan Band Plans Summer in Europe

For the second year the Pioneer Marching Band was supervised by Director Jim Quiroz. The band attended the Rosemead Parade and the Arcadia Parade, just to mention a few. At the Whittier Homecoming Parade the group placed second and at the Chaffey Band Review they won Sweepstakes. Led by Drum Major Marty Grandusky, the band raised the hopes and spirits of the school when they played music for the song leader, majorette and drill team routines.

The band spent a good deal of the year making plans for their summer tour of Europe. The students worked diligently to earn the $40,000 it will cost to finance the trip. Car washes, bake sales, paper drives and bottle drives were all a source of much needed revenue.

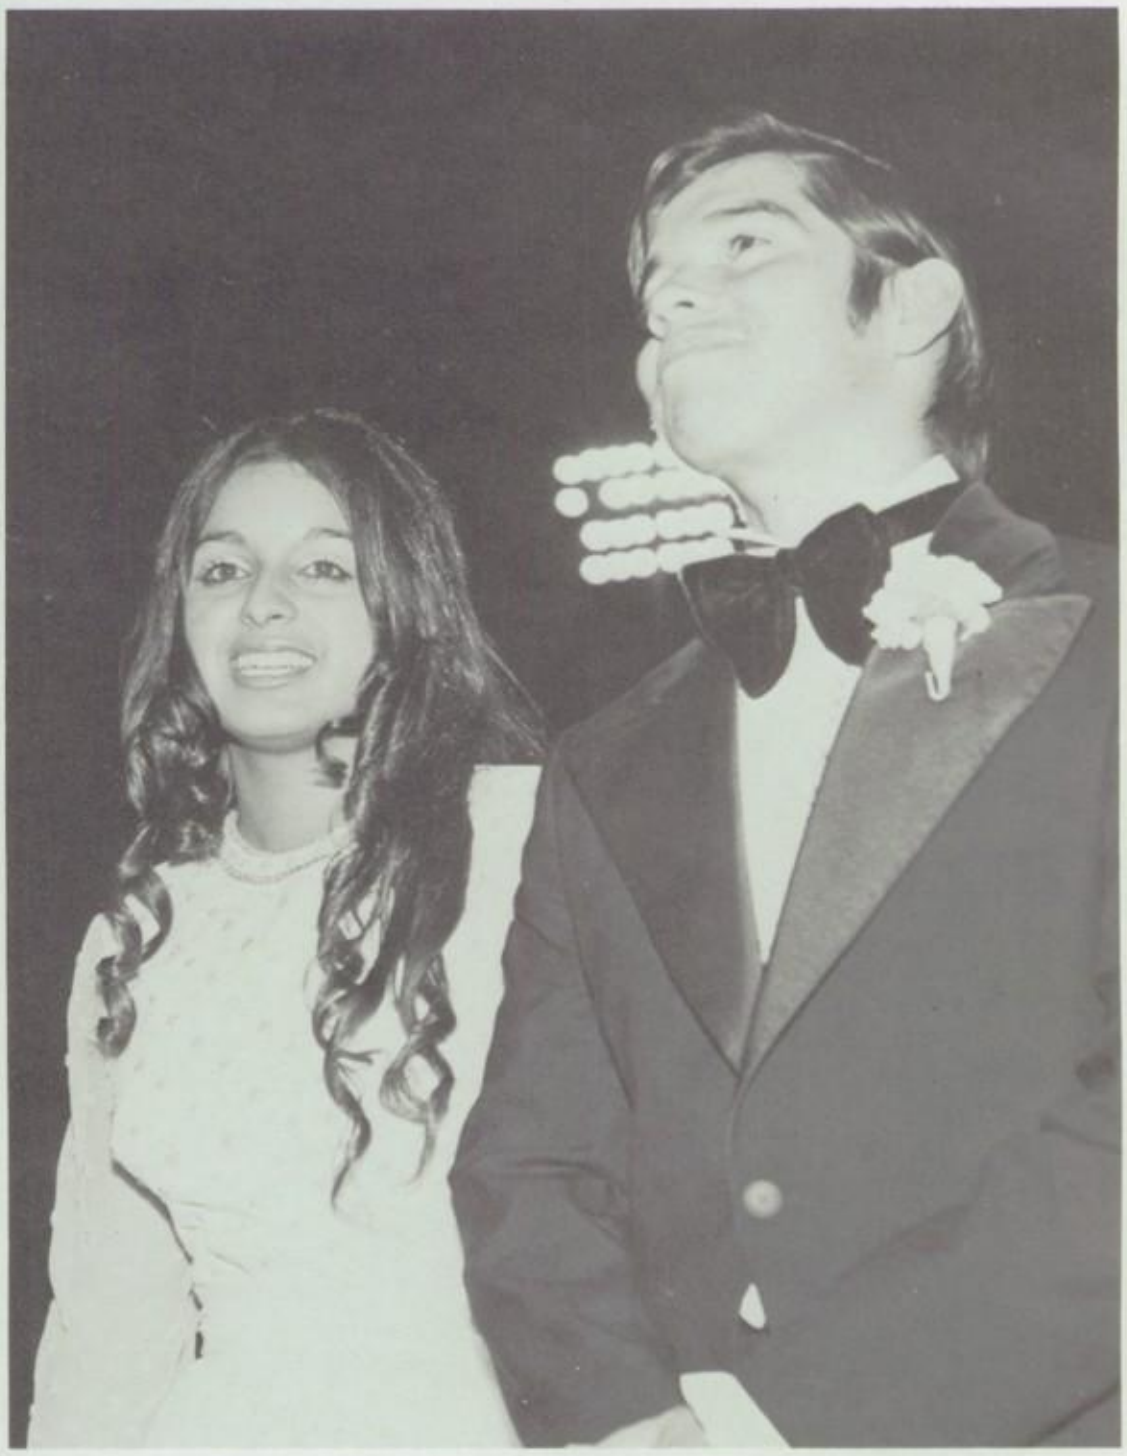
1972 Homecoming
An Extravaganza that
Buoyed Titan Spirits

The crowning of the Queen was the climactic moment of Homecoming 1972, a time when returning alumni and present students could reminisce about Pioneer's past and take part in the weekend of activities planned for Homecoming.

Preparations were begun weeks in advance . . . . . first, the nomination of the Homecoming Court by the Senior Class Council and the Varsity Club; then, setting up "Memory Hall", a gallery of pictures from past years, where alumni could recall their own days at Pioneer.

The Court was introduced to the student body and the voting for Queen took place. Later, the Homecoming Assembly was held in the Titan Stadium.

All the students, past and present, watched the pep squad, band and drill team perform, and heard speeches by former students. The Varsity football game that night against Monte Vista, was highlighted by the special half-time show, and the crowning of homecoming Queen Sandy Thome.



In the large left photo, Queen Sandra Thome and escort Joe Guerrero share in the excitement of her climactic crowning. Princess Margie Bustamante and escort Carl Jiminez relax prior to the announcement by Cabinet Vice President John Cardoza (above).

In the top photo, Gwendolyn Pigeon (Laurie Miller), Felix Unger (Tom Chevere) and Cecily Pigeon (Bernadette Lincke) stumble to make conversation after Oscar leaves them to acquaint themselves. Oscar (Steve Sotomayor) is undaunted when Felix lectures him about his gross untidiness and uncouth habits (above).

"The Odd Couple"- It's a popular hit!

"The Odd Couple," Neil Simon's hit-comedy, was the fabric for the fall play that was performed in early December. The three-act play dealt with the shaky friendship of Oscar Madison and Felix Unger. Felix, kicked out of his home by his wife, moves in with his old friend Oscar. The conflict that arises stems from the fact that Oscar is a slob and Felix is a "clean-freak." The two rant, rave, scream, yell and fight until Felix moves in with the two single Pigeon sisters.

The cast ranked among the most powerful ever to be seen on the Titan stage. Tom Chevere as Felix and Steve Sotomayor as Oscar, backed by a supporting cast of Chris Monge, Mike Apodaca, Jim Crockett, Jim Wagner, Laurie Miller and Bernadette Lincke gave tremendously funny performances. Under the talented direction of Advisor Carolyn Gilweit, the set, costumes, lighting and acting compared with the finest in Pioneer's history.

Fearful that the subject of Felix's (Tom Chevere) marital problems will come up, Roy (Jim Crockett), Speed (Chris Monge), Murray (Mike Apodaca), Vinnie (Jim Wagner) and Oscar (Steve Sotomayor) offer Felix a drink when he merely suggests his thirst. Above, the same friends worry that Felix may be trying to commit suicide when the sound of the bathroom door locking is heard.

Chic "Diamond Bar" - Girls' League Dance

A very special evening this year was January 13th, the night of the Girls' League Dance.

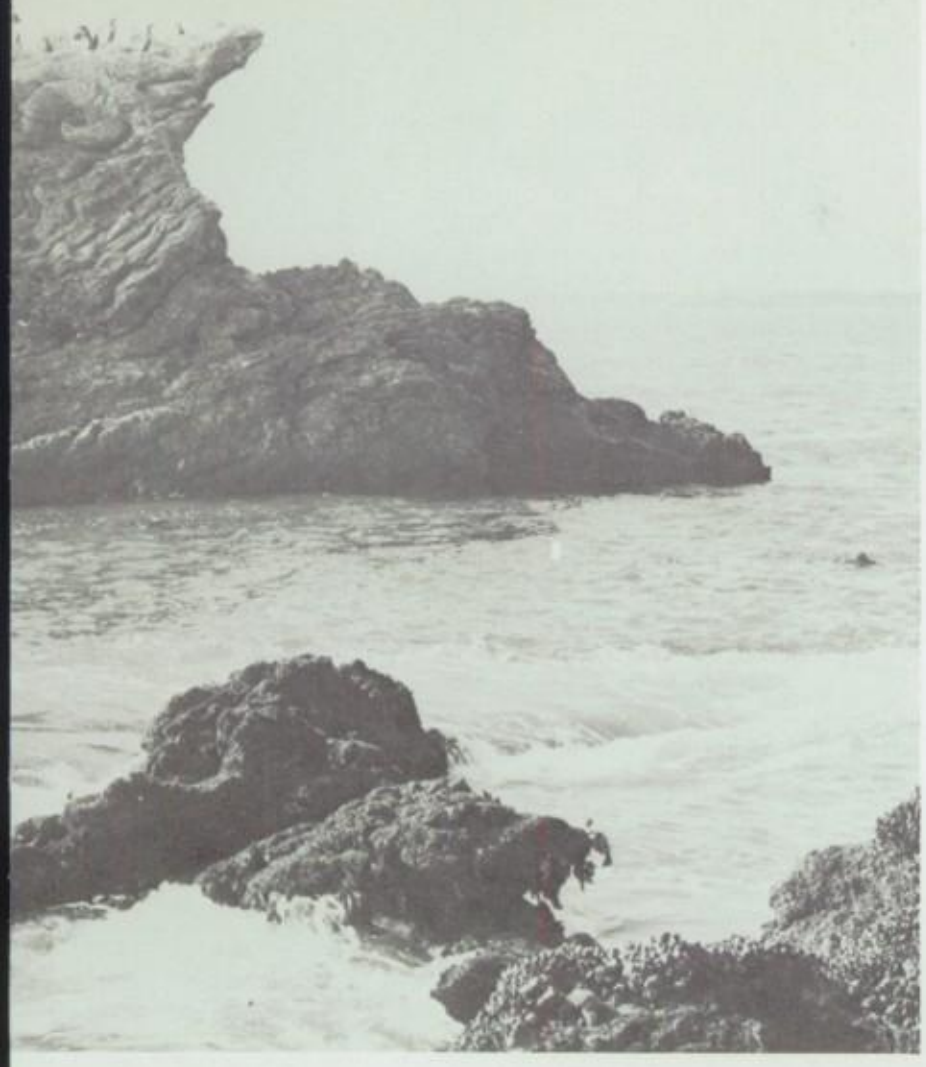
To keep in step with the tradition begun last year, the dance was held off-campus. The theme, "Some Kind of Wonderful," and the setting, the Diamond Bar Country Club, made the evening a night to remember for the two hundred couples that attended.

The entertainment was provided by the band, Blackfoot. Cookies and punch were served to tide the couples over until their after-dinner snack. The golf course served as a romantic setting, a lovely place to stroll with your date beneath the moonlight.

In the top center photo, Jan Ross, Rick Garcia and Jim Crockett reflect the pleasure many Titans enjoyed at the dance. At right, Theresa Jauregui and Ed Gaxiola find evening solitude beneath the country club starlight.

In the top right photo, Greg Monge and Janice Kolec find a quiet peace in each other's thoughts. At left, Alice Reyes and Chuck Thome enjoy the use of a fine dance floor. Members of the Blackfoot band provide the music (above).

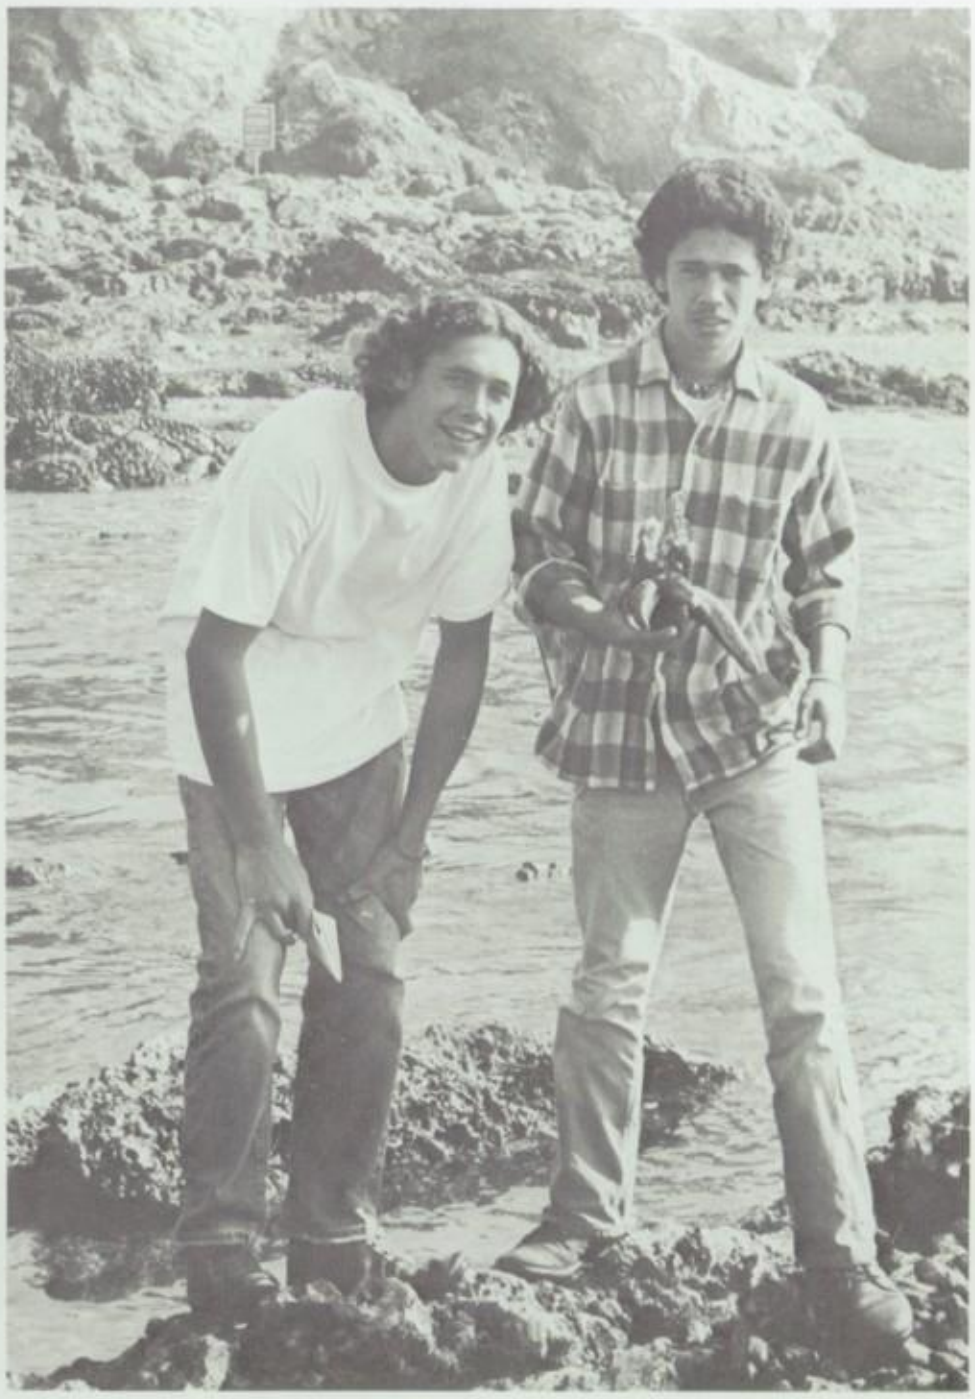
In the photo above, a small but energetic fish captures the attention of Pablo Alvarado. In the photo at right are a few of the many scenic rocks seen off the coast at Corona Del Mar. Mr. Odanaka guides and helps students in their search for tide pool life (below).



California's Ocean-
a fun place to learn

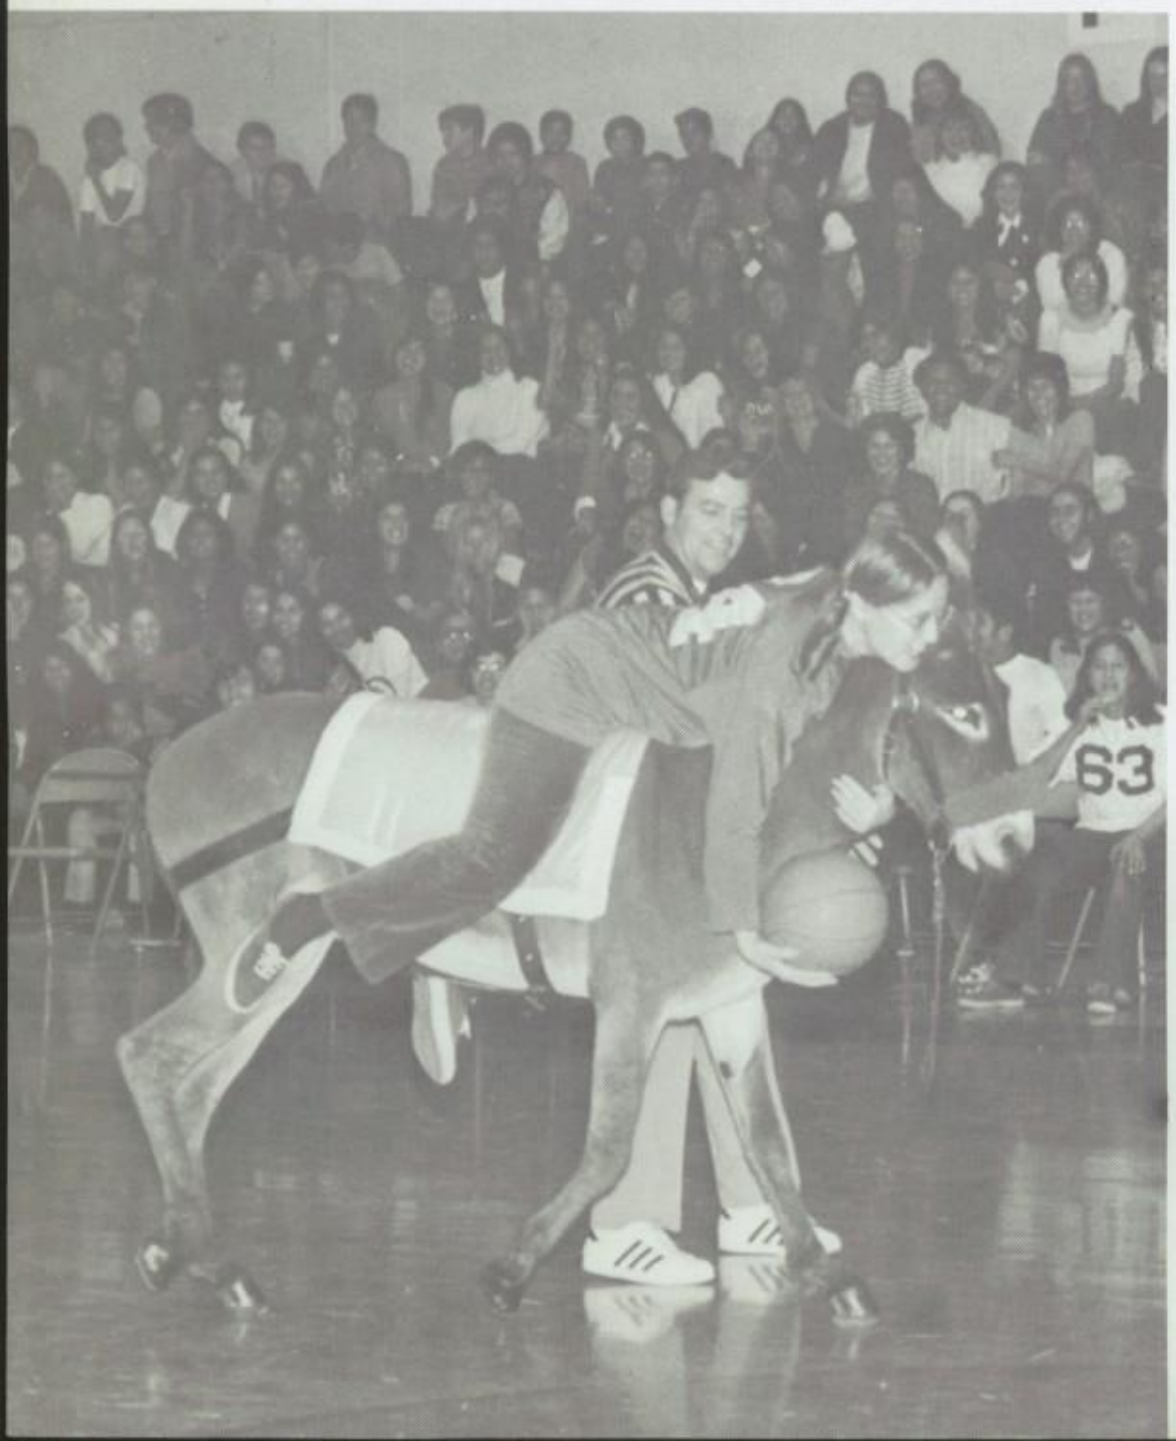
With the thirst for knowledge about the world increasing at an unprecedented rate, the demand for more relevant courses has definitely risen. Students wanting to know more about their environment and a teacher with vast knowledge were the ingredients for a new class at Pioneer.

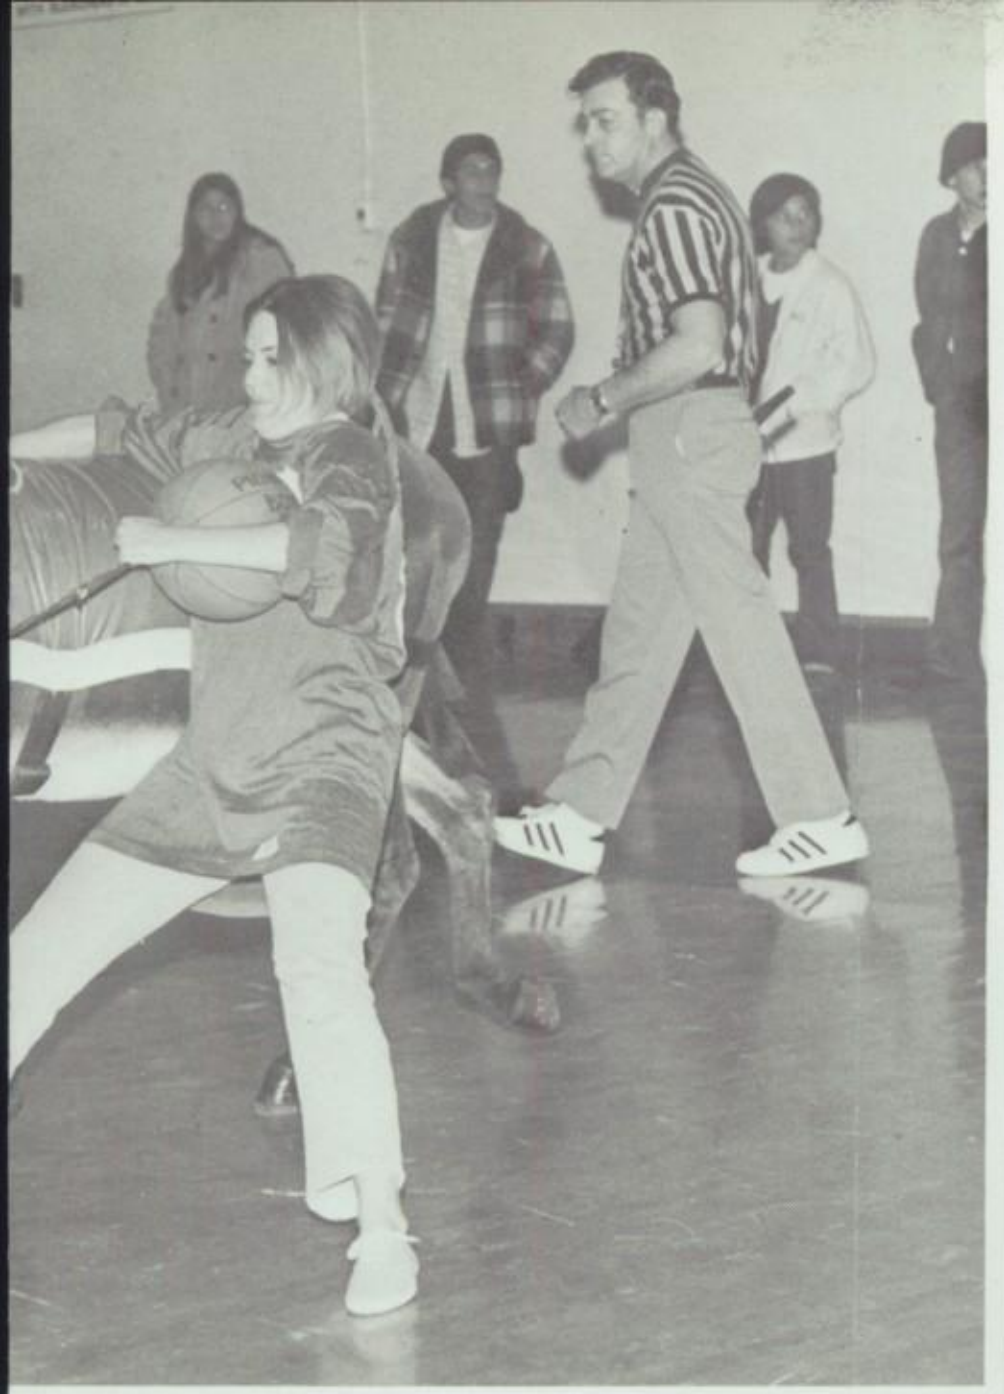
Mr. Odanaka, a science teacher, spent his summer working hard to devise a class that would be both interesting and informative. By September he had prepared a rough outline detailing the one-semester course. The students took to Mr. Odanaka immediately. Field trips to the Scripts Institute aquarium, the Corona Del Mar tide pools, the floating marineland in Dana Harbor and a one day trip to visit the largest manufacturer of oceanographic equipment in San Diego all made the class unique from others offered at Pioneer.



In the photo above, David Stowe and Guillermo Tafolla display their discovery of a starfish. Susan Schultz directs her friends' attention to an interesting form of marine life among the rocks (left).

In the top center photo, Kathy Stanger has a rough time directing her donkey to where she can safely remount. Below, Rick Carrillo gets thrown into an unsuspected ride. Bonnie Benton struggles to both stay on top of her steed and keep the ball (bottom left).





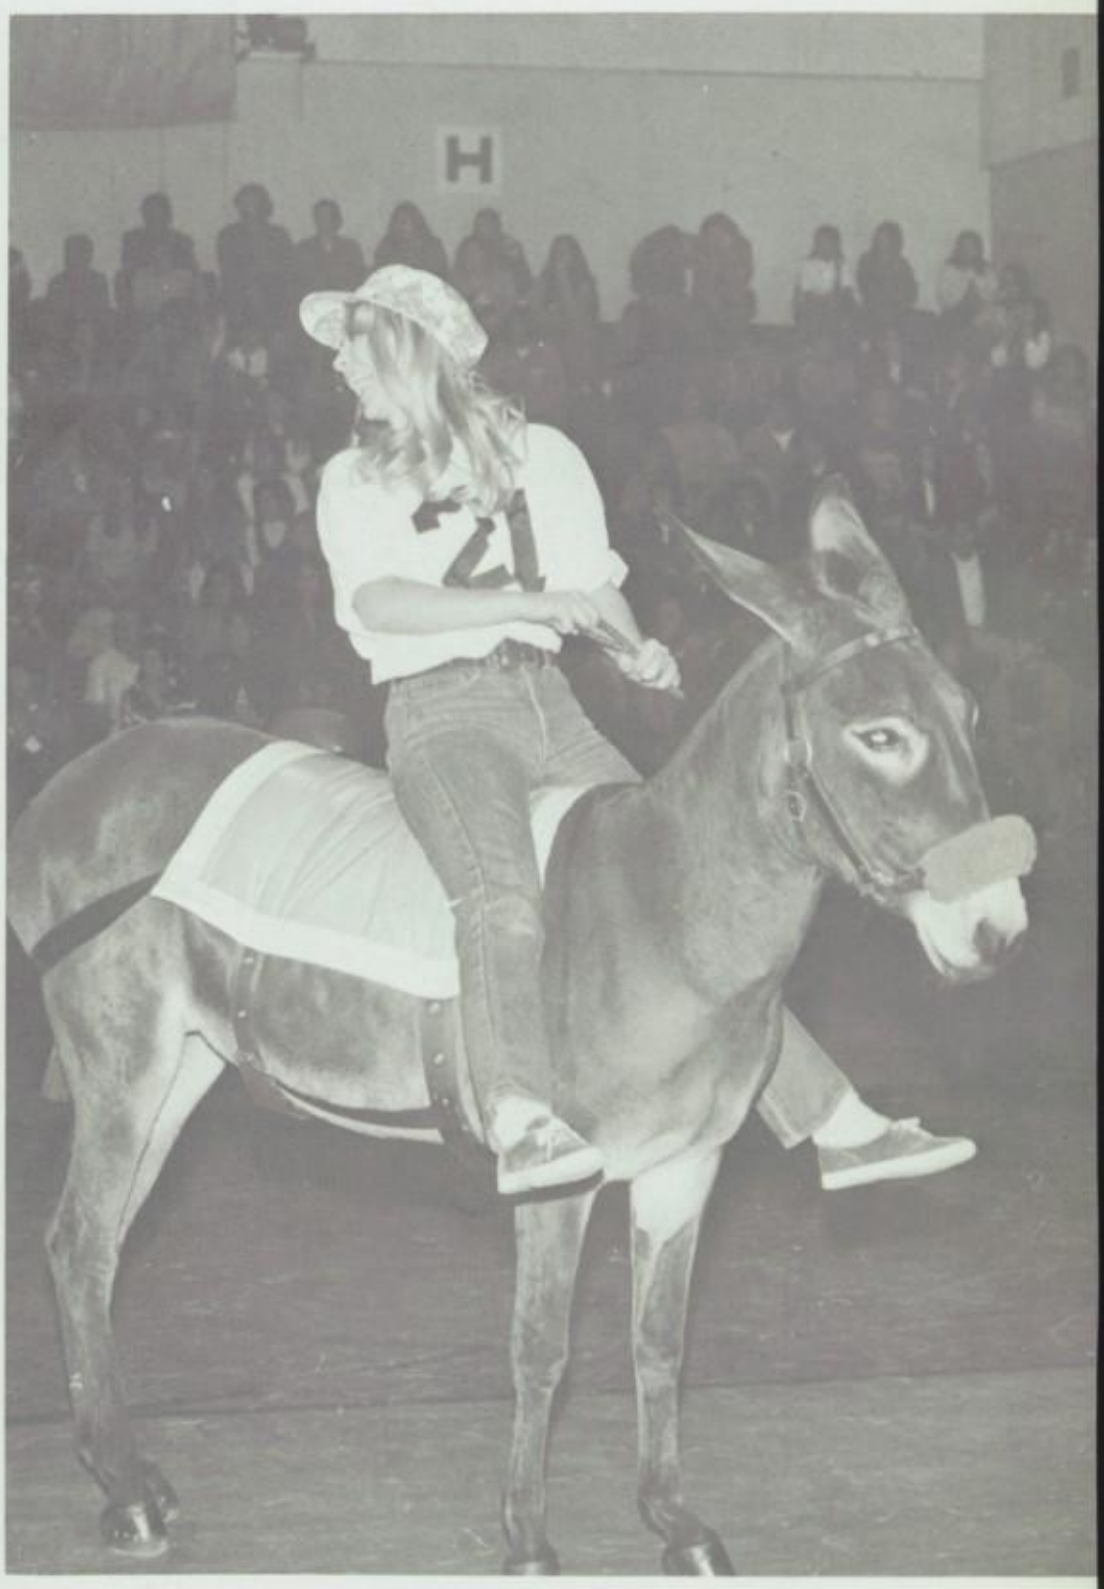
Seniors Beat Faculty

Donkeys and All

The Donkey Basketball game, held this year on January 23rd, was sponsored by the A.S.B. Cabinet. 1973 marked a year of precedence for Pioneer in that women were allowed to play in the game.

The contest was between the faculty and students, with ten members on each team. The captain for the teachers was Richard Mulhaupt, and the student captain was Richard Van Daalen Wetters.

With the majority of the team members having no riding experience, the event proved to be an exciting (and amusing) one. It was an enjoyable evening for all . . . . . and the seniors won!



In the photo at left, Richard Mulhaupt loses his balance as well as his donkey when he tries to pass the ball to Chris Peterson. Carol Urtusuastegui and her donkey are in disagreement as to which way they want to go (above).

In the top left photo, Karen Enos of the "Bizzie Bunch" kneels into an intricate step. Lisa Zubrod, Lisa Ramirez and Melba Quiroz squat to get a better view of their "Swan Puddle" (top center). Above, Edith Ann (Merrie Turner) and Margaret (Carol Bigham) display shock at the material found in a Playboy magazine.

Titanette Review: A Second Childhood for Titan Girls

"Through a Child's Eyes," was this year's theme for Titanette Review. Over one hundred girls worked diligently building sets, making costumes and practicing dances for many weeks before the actual performances on March 16th and 17th. Under the supervision of Miss Marilyn Littlefield and the direction of First Vice-President Patty Bova, the show was one of the most successful in Pioneer's history.

Saturday night the six coveted awards were presented to the winning groups. First place was awarded to Geppetto's Pals. Second place was won by the Hogwaller Hillibillies, and third place went to the Ja-Jolly Jubie Jumping Jacks.

Pop's Prize, voted on by the fathers that attended the Friday night performance, was won by Swan Puddles. The Technical Award, given to the group with the best costumes, lighting and set, was also given to Swan Puddles. The cooperation award, based on attendance, meeting deadlines, and attitude, was won by the Rootin'-Tootin', High-Falootin', Fancy-Shootin' Cowboys.

Pride, Integrity and Guts Come to Pioneer Campus

In a quickly changing society, misunderstandings arise often. People's views vary from one end of the spectrum to the other, and our law enforcement agencies serve as the impartial referee for both sides.

Due to the necessity for a police force, it becomes important that students understand the workings of our laws and the individuals who enforce them. Seeing this, the Los Angeles County Sheriff's Office and the Curriculum Department implemented a new course at Pioneer. Titled "Student and the Law," the course was taught by Deputy Robert Acosta during first semester, first and second periods. Second semester the enrollment grew, and another two sections were opened, taught by Deputy Dave Gabaldon.

The students were introduced to the many and varied facets of law enforcement, particularly as related to the student-citizen.

Varsity Beats Faculty for Benefit of Athletic Department

On December 6th of this school year, the Varsity Basketball team met the Pioneer Faculty on the courts of the Boys' Gym.

Sponsored by the Varsity team, the game raised money for equipment and activities.

After a game packed full of excitement, the final outcome showed the Varsity team winning. The faculty made a good fight and proved that not only were they excellent teachers, but good sportsmen as well.

Vocal Music Program Entertains Titans

Pioneer's vocal music programs are composed of Mixed Chorus, Choir and the Titan Tones, all of which are under the direction of Mr. Orr.

Mixed Chorus, the only group offering open enrollment, had a busy schedule this year. The group sang at the Christmas assembly, the Spring Concert and a music festival in February. Approximately thirty students were members.

The Choir, composed of students who have auditioned, is also made up of thirty students. The Choir performed at the Christmas assembly, the Whittier District festival, the Spring Concert and various other concerts.

The most unique singing group on the Pioneer campus is the Titan Tones. The eighteen members, primarily upperclassmen, are the most talented singers of the school. They are not only a singing group, but a service organization as well. They sing at many benefit performances in addition to their regular concerts.

Mrs. Judy Benson was the 1972-73 accompanist for all three groups.

Jazz Band added to Music Program

Uner the supervision of Director Jim Quiroz, the Concert and Jazz Bands entertained both Titans and the general public at various concerts throughout the school year. After much thought during the summer, the music department chose to replace the Cadet Band with the Jazz Band. This not only gave variety to the music department but it gave students a choice in the type of music they would like to concentrate in.

Members from each band were chosen to participate in the Whittier Union High School District Honor Band.

Titan Tribune Staff

The TITAN TRIBUNE, the school's official newspaper, was published throughout another successful year.

Under the skillful direction of Mr. Harry Robertson, the news-staff worked steadfastly to meet their weekly deadlines, write newsworthy stories and assemble a top-notch paper.

Rosa Longo and Wilfred Robles, serving as Co-Editors, worked with approximately twenty other members on staff. Mark Rogoff worked as the paper's head photographer. Each day the staff worked on the paper during first period.

annual staff produces torch

A complete record of the school-year activities was chronicled in the 304 pages of the 1973 TORCH. Chris DeSon, serving his second year as Editor-in-Chief, worked with a staff of twelve, supervising each and every portion of the book.

Business Manager Susan Holveck was an important and necessary ingredient to the book, along with Rosa Longo, who was in charge of photo identification. Mrs. Delcia Phillips, advisor, helped the staff during their daily fifth-period class.

This year's TORCH was made unique through the use of several innovative and fresh ideas. A group senior class picture in full color and a Driftwood Tan textured paper signature in the Senior Section were among the creations conceived and produced by the staff.

Varsity Fares Well in Rough Season

Rebuilding was the theme for the twice-league champion Titans this past year as Head Coach Bob Spindola piloted the mostly young group through the tight Whitmont League schedule. The majority of the team were members of last year's devastating sophomore and JV teams who were promoted to fill the gaps vacated by last year's graduating seniors.

Despite their appearance in the win-loss column with a 2-6-1 record, the Titans played outstanding football against some real powerhouses in 1972 prep football. The mighty Titan defense shone during the season, especially against teams like the defending 4-A champion Bishop Amat Lancers, where the Lancers barely slipped by with a 19-14 victory; and the Santa Fe Chiefs, who were ranked in the CIF 4-A Top Ten throughout the season and captured the Whitmont League championship, were held to a 13-7 decision.

Robert Reyes, a junior this year, led the Titan offensive force during the season. Fine receptions by his receivers Lawrence Jordan, David Jacobo and Carlos Delgado, combined with the running talents of Rick Carrillo and Greg Gonzales, posed a vicious threat to opposing defenses.

Bees fight to Wrap Up an Even Season

The Bee football team wound up a good season this year as they finished in third place in the Whitmont League race with a 5-4 record. Coach Howard Pollock felt that the Bee's were very tough this year as they gave the league champion Condors from Cal Hi their only defeat.

Sal Barone, Bob Wong and Joe Ramos held the opposing offense in check, while Chris Terrazas at quarterback led the Titan offense; along with Mike Corente, Dave Roman and Bob Wong.

Cees finish third in tough Whitmont Race

The Titan Cee football team enjoyed a favorable season this year as they finished in third place in the tight Whitmont League race with a 5-3-1 record.

Coach Maury Cauchon felt that the team was really well prepared for the league, but was just outplayed by the other teams.

The highlight of the season was when the Cee's knocked the Sierra Spartans out of first place.

Jim Carrillo, Jerry Jacobo and Paul Moncibaez proved to be decisive powers in the Titans favor.

After breaking in new coach Ed Cooper last year, the Titan Aquamen had to develop the coaching talents of a new mentor this year in Dale Thomsen, who assisted Head Coach Cooper. Despite the 6-11 record, the water poloists presented a strong, determined force to the opposition.

Heading the swimmers were two Whitmont League first team selections. Ken Brecht, a forward in his third year on Varsity, and Richard VandaalenWetters, a guard in his second year on Varsity; were both named to the Whitmont League's eleven-member first team. Bill Heard, a hole forward in his third year on Varsity, received an Honorable Mention.

Brecht was voted Water Polo Player of the Year by his teammates, and VandaalenWetters was voted Most Inspirational. Scott Burtz, a member of the Cee team, was voted Outstanding Freshman, and the outstanding Sophomore was Richard Fitzgerald, also of the Cees. Varsity man David Larmore was voted the Outstanding Junior, and the Most Improved Player vote went to Jim Hernandez, a Junior.

Cross Country Teams Fare Well Although Having Suffered a Poor Turnout

The Cross Country team suffered a disappointing season this year, as they wound up last in the Whitmont League race. Although the team finished with a 0-9 record, second-year coach Barry Blade saw some fine times turned in by both the Varsity and Frosh-Soph teams.

Albert Valdez turned in a good season time of 10:21 and Fred Vartanian ran a 10:34. Wayne Walker also ran some contending times for the Varsity. Phil Lopez on the Frosh-Soph team ran a 10:58, while Ruben Perez and Phil Luciano added to the scoring. The final record for the Frosh-Soph team was 6-3.

Varsity Starts Fast But Ends Season in Third Place

After a fast start in the Whitmont League race, the Varsity basketball team cooled off and wound up third in the standings, behind Cal Hi and Dominguez. Taking off with an exciting first round of league play in which the Titans were fighting it out with the Condors and Dons for the league lead, the Varsity cagers lost five in a row and found themselves floundering in the standings. The Titans alternately shared the lead with the Condors and Dons in that exciting first round, but soon fell out of contention. They made a strong end-of-the-season showing to capture third place.

Curt Sinclare, the Titan center, was runner-up in the voting for Most Valuable Player in the Whitmont League, behind Cal Hi's Tim Mould. Sinclare finished the season with a near 19 point average per game. Jerry Starcer, one of the league's premier rebounders, received an Honorable Mention from the league. Starcer hauled down a total of 252 rebounds, a 10.5 average per game, and had a game total high of 20 against Cal Hi.

Rounding out the Titan's ranks were Pablo Alvarado, Greg Herron, Carlos Delgado, Danny Adkins, Pat Smith, Carl Jimenez, Tony D'Addario, Mike Flores and Steve Telles.

JVs End Season With an Even Record

The JV basketball team finished their 1972-73 season with a 7-7 league record, earning them a fourth place, behind the league champion Dominguez Dons. They ended the season one game above an even record with 12 wins and 11 losses.

Jim McCraw was the leading scorer on the team, with a reputation for pumping in some clutch baskets throughout the season. Coach Jim Rafferty cited Jeff Tuckness as the hardest worker on the team, as Tuckness led the team in rebounds. Chris Terrazas also contributed to the team in both the scoring and rebounding departments.

One of the highlights of the season was the game against La Serna, when the Titans bombed the Lancers by 30 points.

Bees Perform Well in Whitmont Play

Under the leadership of first-year Coach Vince Diaz, the Bee Basketball team enjoyed a fine season, finishing with a 8-2 league record. This was enough to place them third in the Whitmont League.

Roy Tinkler and Dave Roman led the powerful Bee's in both offense and defense, pumping in baskets and hauling down rebounds.

Coach Diaz expressed his happiness in the season and for the fine record the Bee's turned in. The Titans gave the entire league tough competition and, although eventually defeated by a small margin, they were very much in contention for the league title.

Cees Struggle Through Whitmont League Race

The Cee Basketball team suffered a disappointing season as they finished with a 6-8 league record. This earned them fifth place in the Whitmont League, headed by the Dominguez Dons as the league champions. Throughout the entire season, the Titans held a 9-11 mark.

Jim Carrillo and Sam Benevidez led the Titans as they headed up the team in scoring and all-around defensive and offensive ability.

In an exciting game against La Serna, when the Titans were down by five with thirty seconds left and had narrowed the gap to one with just a few seconds to go, Benevidez fired in a 25-foot jump shot at the buzzer to win the game by one point.

The Titan Dee Basketball team enjoyed a very successful season. They finished with an 11-3 record, earning themselves a second place in the Whitmont League, just behind the Santa Fe Chiefs. The Titans were also victorious in both of their pre-season matches, extending their record to a very solid 13-3 overall.

John Flores, Rick Constancio, Mike Perfecto, Rich Mora and Fred Covely led the Dee team throughout the successful season, which included the winning of the championship in the Sierra Dee Tournament.

Soccer Fares Well in Second Year

The Titan soccer team finished its second year in the Southern League with a good record. Although the Titans did well against the league-leaders Bosco Tech and Nogales, it was the teams of lesser personage that gave them trouble.

It was a fine year for Coach Richard Preston, as four Titans were named to the Southern League's All-League team. Luiz Diaz and Jeff Wineinger, who each enjoyed outstanding seasons, were named to the Southern League's first team, and Sergio Morales and Rudy Garcia were named to the second team.

Wrestling Sends Three on to CIF

Three Titan wrestlers entered the CIF finals this year: Mike Kirylo, Adolph Monsalve and Pat Kraus. Kirylo won the first three CIF sectionals at Edgewood, but then lost to Adam Coyle of West Covina. In the CIF finals, Kirylo won his first match, but lost his second to the sectional winner from Fontana. In the consolation, he again won his first and lost his second match. During regular season matches, Kirylo enjoyed an unmarred 23-0 record, stretched it to 26-0 after league finals, and then rounded off the season at 31-3.

Adolph Monsalve entered CIF in the 115-pound weight class, but was eliminated at the sectionals after three matches. Monsalve finished the entire season with a 21-6-1 record, 18-4-1 after the regular season, and 20-5-1 after league finals. In the 130-pound weight class, Pat Kraus went to CIF sectionals, but was eliminated after four rounds.

Baseball Teams Display Promise

The Varsity baseball team moved back into the tough Whitmont League this year, after capturing the San Gabriel Valley League title with Cal Hi last year. The Titans looked promising in pre-season games and were expected to fare well against such powerful teams as Dominguez, Sierra and Whittier.

The Titans presented a well-balanced defense with freshman Jim Carrillo, junior Mike Garcia and senior Steve Telles on the mound defying the opposition with blazing fastballs and torrid curves. The offense boasted Chris Sabedra, Rick Carrillo, Ron Garcia, Kevin Burtz, Jim Viramontes and Lawrence Jordan as the RBI leaders.

On the JV level, Bill Arce and Ernie Contreras shared the pitching chores for new coach Richard Preston. On the offense, Bob Wilkinson, Dave Roman, Tom Diaz and Greg Gonzales put in the power. One of the highlights of the season was Bill Arce's near no-hitter against the La Habra Highlanders.

On the Frosh team, Jerry Jacobo, Ricky Mora and Manuel Quijada led the powerful offense, while Paul Moncibaez, Chris Arriola, Ruben Felix and Ed Avila added extra punch. Coach Jim Rafferty expected a successful season this year and was very pleased with pre-season games.

On the Farm, Vince Diaz took over the coaching job and put together a team which proved to be a major power in the league. Wolf Robles, Mike Flores, Max Jimenez and Phil Wilson led the team with assistance from Ernie Baltierra, John Barnes and John Portugal.

Golfers Strive for Season on the Green

The Titan golf team, under the leadership of Coach Dave Lee, showed great promise for the 1973 season with fine performances in pre-season play.

Mike Perfecto and Brent Habbeshaw led the Titans throughout the season with some good scores; and coupled with Tim Helwig, Brad Garbutt and John Menzel, the Titan Varsity gave other teams in the Whitmont League a rough season, and were very much in contention for the league title.

With participation at an all-time high this year, there were three teams: the Varsity, JV and a Beginner's team. Practices for the Varsity and JV's were held at Whittier Narrows, the home course, and Les Hufford served as Assistant Coach.

Titan Swim Teams Edge into New Whitmont Season

Second-year Coach Ed Cooper had cause for much optimism about this year's swim team. Once the season was underway, Coach Cooper was shown some strong swimming.

Ken Brecht again shone in his meets, and led the swimmers to a fine 1973 season. Coach Cooper expressed his satisfaction with the entire 1972-73 swimming season, and many records on all levels were shattered this year.

Among the season's highlights was a 200-Lap Swimathon. Individual swim team members were sponsored for any chosen amount per lap, and the proceeds provided funds for school equipment.

Gymnasts Perform Masterfully

The gymnastics team, aided by Coach Eugene Fradella, enjoyed a good season this year.

Some of the better performers on the team were Jesse Rodriguez, Ralph Dickinson, Richard Esparza and Richard Darby. Also on the gymnastics team, thanks to a national ruling permitting girls on boys' non-contact sports teams, was Gerri Schmutz. She proved to be a good performer as well as providing a touch of beauty to the demanding art of gymnastics.

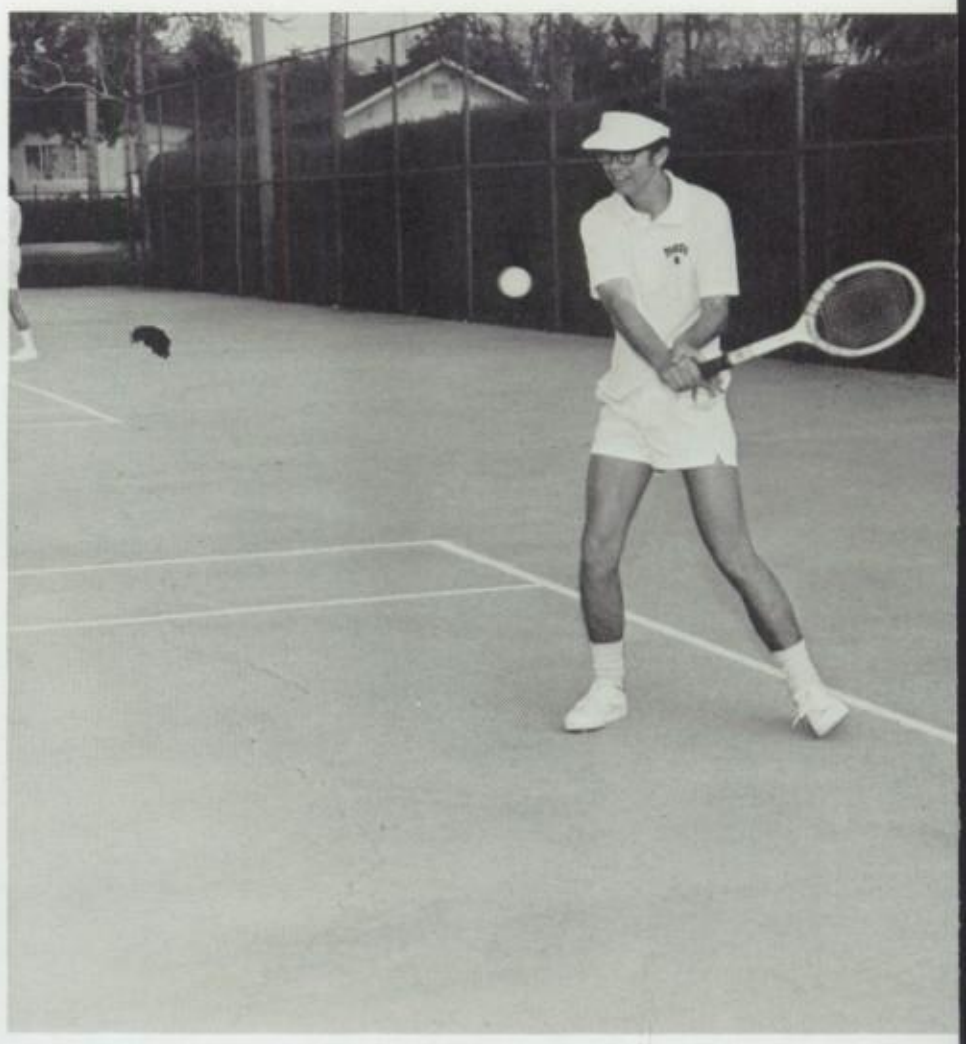
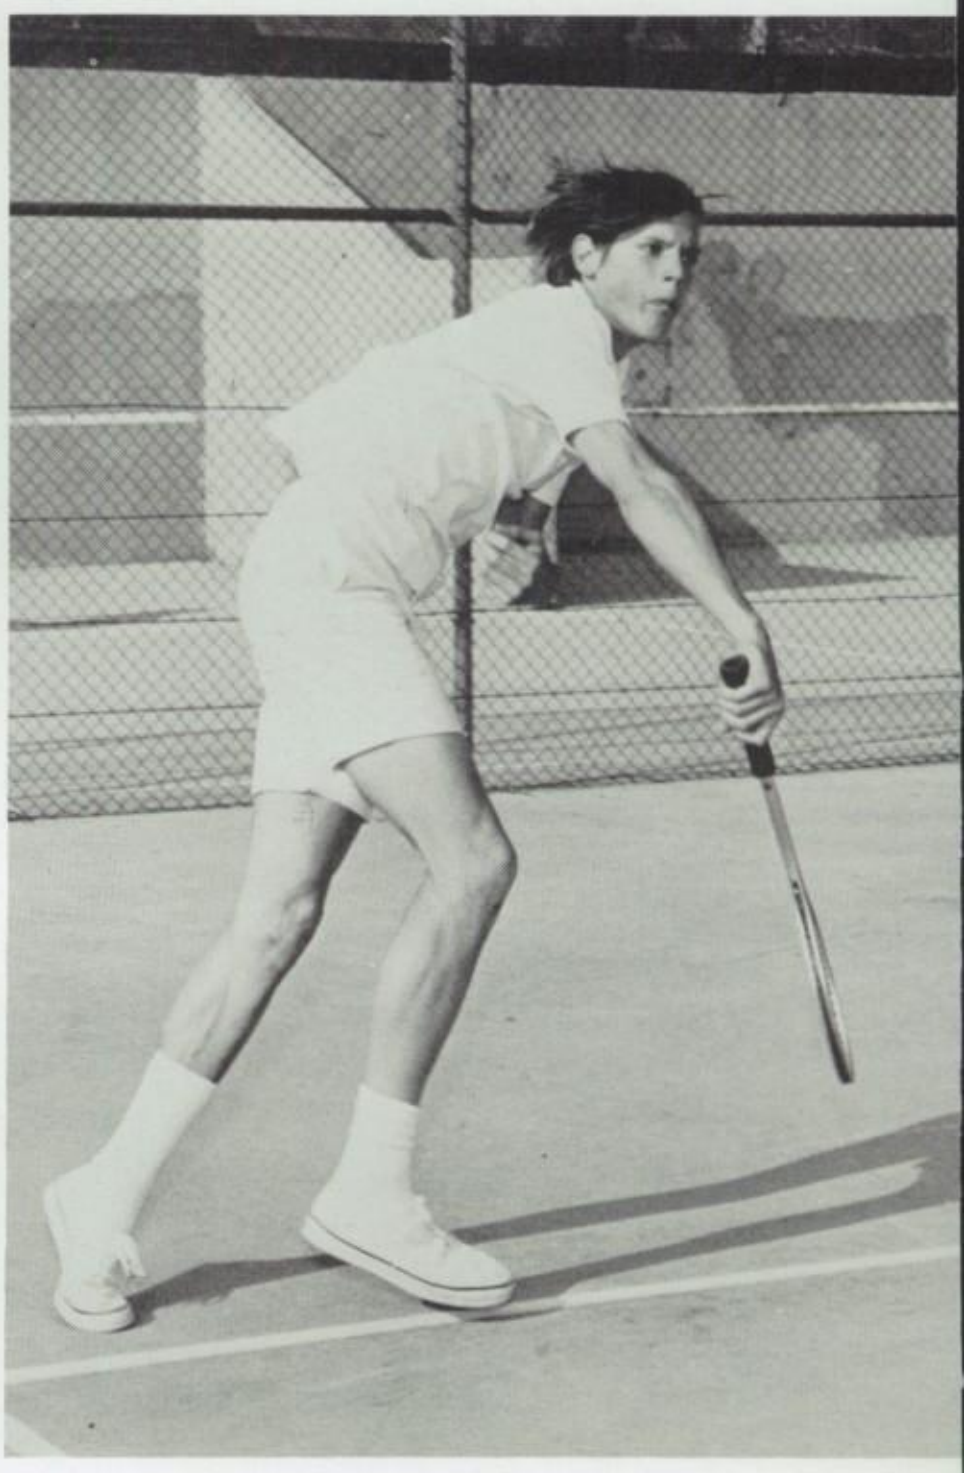
Titan Netters Show Promise

The Titan tennis team once again enjoyed a good season. Coach Stu Kauffman was very happy with the results turned in by the 1973 team, which was comprised mainly of juniors and sophomores. Although there were no seniors on the Varsity, there was a freshman, Tim Reyes, who added much to the Titan power.

Rounding out the powerful Varsity were Tony Galvez, Steve Usselman, Luis Madeza, Danny Adkins and Dennis Esterly. The Titans opened high in the standings and proved to be a decisive power in the Whitmont League race.





In the far right photo on the facing page, Louis Madeza awaits the return of the ball. Larry McMillian finishes sending his opponent a blazer (top right, facing page). In the photo atop this page, Dennis Esterly keeps the ball under perfect control. Below that, Doug Bel releases a true power swing. Above, Stewart Han strives to reach a high flying ball.

Titan Trackmen Exhibit Initiative

After a streak of bad luck a mile long, stretching back into the past couple of years, the Titan track team finally began to show promise during the '73 season.

Although winless in competition thus far, the thinclads gave second-year Coach Barry Blade hopes for the '74 season.

Some of the better runners on the team this year were Fred Vartanian, Wayne Walker and Albert Valdez. Hector Mercado moved up to Varsity this year, along with Robinson Velez and Daniel Vanta, to add to the Varsity's power.

Joe Aquino provided an added boost in the discus competition, as did Curt Sinclare in the shot put.

The Frosh-Soph team, starting their first season with that title, fared well, much to the happiness of Coach Blade.

GAA fosters a love of sports

Headed by President Patsy Juarez, the G.A.A. program played an important part in the activities offered for girls this year.

Knowledge of the basics of sports, good sportsmanship and teamwork are the main objectives stressed. The G.A.A. program includes sports such as: baseball, volleyball, swimming, tennis, basketball and, for the first time this year, track.

Once again, the turnout was very impressive for G.A.A. advisor, Carole Gerlach.

In the top center photo, Michelle Pico misses the ball and wastes an unnecessary strike. The runner is declared safe when Becky Bogenschutz receives the ball too late to put her out (left). Above, Donna Templeton (4) faces Santa Fe in the opening jump.

Junior Class Works for Early Prom

The 1972-73 Junior Class Council and Officers spent the year busily planning the Junior-Senior Prom, and sponsoring the powder-puff football game. The Prom's theme was chosen from ideas contributed by students, with the winning idea earning a free pair of tickets for its contributor. The site for the dance was the Muckenthaler Cultural Center in Fullerton, and was planned for April 14, a relatively early date because of the demand for use of the center. Plans for the prom began early in the year to help assure its success. The officers and council worked during the year to publicize the Junior Class events it had planned, and raised money to help the earthquake victims in Nicaragua.

Sophs Raise Funds for Future Years

The Sophomore Officers and Council held regular meetings throughout the year to plan various money-raising activities. Their first project was planning car washes to help supplement their class treasury. Their advisor, Carolyn Noseff, worked with the council, and they're already looking ahead to next year, when the Class of '75 will sponsor the Junior-Senior Prom. In keeping with the school tradition, the class organized the popular Slave Days in the fall.

Freshmen Lay Solid Foundation for Promising Future Years

Under the leadership of Class President Jim Carrillo, the Freshman Class Council and Officers started raising money to finance its activities for the next four years. With the help of their advisor, Carolyn Noseff, they held car washes in the Science parking lot as one means of raising funds. In their first year at Pioneer, they contributed more than their share of enthusiasm and spirit.

Adult Groups: Unseen Yet Not Unheard

Four groups that directly affect the students at Pioneer are the District Administration, the Board of Trustees, the Parent-Teacher Association and the Teachers' Club.

All four groups worked this year on the new PPBS (planning, programming and budgeting system) under which all public schools will operate in the future.

The PTA and the Teachers' Club worked especially hard on communication between the home and school. Workshops held at student's homes on the "A" period day and special period conferences were all part of the effort put forth by Pioneer to improve the education process.

Many students are totally unaware of the existence of these organizations, yet they make the decisions that influence all Pioneer Titans. These people devote many long hours working toward the common goal of better education.

District Administrators, Seated: Mr. Earle Fisher, Assistant Superintendent, Business Services; Mr. Arthur Hobson, Assistant Superintendent, Educational Services. Standing: Dr. Norman Eisen, Assistant to the Superintendent; Superintendent D.A. Morrissey; Mr. Eugene Wineinger, Assistant Superintendent, Personnel Services.

Parent-Teacher Association Officers, left to right: Mrs. Betty Elizalde, Recording Secretary; Mrs. Eloisa Hernandez, Third Vice President; Mrs. Catherine Percy, Parliamentarian; Mrs. Phyllis Melton, President; Mrs. Bertha Jordan, Treasurer; Mrs. Mary Barnes, Financial Secretary.

Teachers' Club Officers: Les Hufford, Treasurer; John Dorch, President; Pam Horowitz, Secretary; Dave Van Pelt, President Elect.

Dr. Jerry Haines, Principal

Innovative Administration

In his third year as Pioneer's principal, Gerald L. Haines, Ed. D., furthered the innovative and effective program of operating the school on a more individualized level. His concern for the success of each student has led to improved communications between administration, faculty and student.

Dr. Haines saw the year at Pioneer as "a year of maturity where students continued to show confidence in themselves. A higher percentage of Pioneer graduates are going to college than ever before." Changes in curriculum have "attempted to insure that every student develops strong basic skills, and then is inspired to use those skills in the highest level of study possible." He feels that the high school should be a place for learning: "It is critical to Pioneer that all concerned be continually working toward instilling a 'love of learning' in every student."

The Administrative Staff experienced some re-shuffling this year: J.C. Low, formerly head counselor, filled the vacancy left by Hal Reid as Assistant Principal of Business and Activities. Bill Kirk remained Assistant Principal in Guidance, and John Kimmick continued in his position as Assistant Principal in Curriculum.

The Guidance Office is there to help

The Guidance Office underwent several changes in its staff of counselors this year. A new counselor, Paul Montes, was added, and when J.C. Low became Assistant Principal in Business and Activities, Dave Van Pelt assumed the position of Head Counselor.

The Guidance Office Staff worked with students in trying to solve problems, and gave advice on the choosing of colleges and careers. Even though there was an increasing number of students per counselor, the staff was able to give individual guidance to anyone who needed help. With the new method of setting appointments, students themselves were able to choose the best time to see their counselor.

Special Services Increases its Staff

Those in Special Services gained one important new person this year in Ruby Birt. In this, her first year at Pioneer, she served with and organized the new Career Guidance Center. The Center, which moved out of the Guidance Office at the beginning of the year, expanded to provide more information about many careers and occupations, and also served as the meeting room for college representatives.

Also moving to the Center for a fresh start was the Exploratory Work Experience Program. Kathy Stanger, in her third year as coordinator of EWEE, helped promote classroom credit for experience gained through on-the-job training.

Dan Nay, Curriculum Coordinator, worked with teachers and department heads to develop courses of study. School Nurse Doris Dean looked after the health of Pioneer students and helped keep track of the various medical forms filed in the Health Office.

Keeping the library in order and well supplied with new volumes (while retrieving errant older ones) was Librarian Joe Hazard. Jim Fretz, Assistant in Student Activities, worked with J.C. Low of the Business and Activities Office, and was advisor to the ASB Cabinet. Mr. Luis Hernandez served as full time coordinator of the Expanded Horizons Program.

Secretarial Staff Serves Students

The Secretarial Staff gained four new employees this year. Norma Hinds became an asset to the Curriculum Office while Gerri Hunter aided in the operation of the library. Cecilia Sullivan assumed an essential position in the Reading Lab, and Ginny Brockway maintained the Business and Activities Office.

The Secretaries' jobs involved patience and skill as they smoothly operated within a dozen offices at Pioneer.

Cafeteria & Custodial Crews Provide Comforts for Titans

A high school is comprised of not only books, teachers and students, but of buildings, chairs, tables and windows. These items are taken care of by a crew of hard-working individuals devoted to making the physical components of Pioneer function efficiently. Setting up the equipment for various activities, along with numerous other jobs, the custodial crew is an indispensible part of the school.

The cafeteria crew, interested primarily in keeping Pioneer's students well fed, selected well-balanced menus and efficient methods of dispensing them.

Of course, the two familiar faces of Elizabeth Fowler and Willie Lopez were seen operating the girls' and boys' locker rooms.

To Mrs. Stambaugh,
a very dear friend of mine.
You've really been great.
Hope to see you the next
three years. I'll come in and
see you all the time. Just
wait next yar your name
will be on the Secretary of
the Year plaque. You really
deserve it.
Love Ya,
Yolanda Gonzalez

Claudia,
Thanks for being
so sweet and for
listening to me while
I got my feeling out
about my parents
everything okay now.
my mom and dad one
are going to chicago
for a month.
See you next year

To mrs. Stambaugh
a real nice
friend to me
which I'm glad I
met you. I liked the
little talks we use to
have. You always tried to
cheer me up and I'm really
glad you did. I hope I get
to see you in the summer or
someday. I sure am going to
miss everybody especially you
the nicest friend I had.
I hope you remember
always. your friend
